Overview

RARE WEST COAST OPPORTUNITY

ONLY ENDURANCE 658 ON THE WEST COAST

SCHEDULE A MUST VIEW TO TRULY APPRECIATE

The history of Hampton Yachts begins in Taiwan 50 years ago where the Chen Family built the famous Formosa line of sailing yachts under the direction of the family's patriarch, C.Y. Chen.

In 1992 the Hampton Yacht Building Company was established and was one of the first Taiwanese companies to start yacht building in China. With the passing of C.Y. Chen, Jeff Chen, Managing Director, and C.Y. Chen's son, together with a select few investors and the Chen Family, expanded on his father's vision. Jointly they built the high tech facilities of today, and initiated the development of the very successful Endurance LRC series, which garnered international praise.

Today Hampton Yachts employs over 200 skilled craftsmen, finish carpenters, designers, engineers and naval architects.

While Hampton Yachts' heritage began in Taiwan, the company's success today, is very much a contemporary story. When the world-wide sailboat market started to soften, Hampton Yachts turned to Motor Yacht design and construction. Many of these new motor yachts were designed in-house under the able and talented direction of Jim Chen.

As success followed success, Naval Architect, Howard Apollonio was engaged to consult on new designs. One of the results of this ongoing collaboration, with considerable input from Hampton Dealers, has resulted in the Hampton Hybrid Hull that became the basis of the very successful Endurance LRC series.

None of the success would have been possible without the unwavering commitment to quality; in design, construction engineering and craftsmanship. A commitment started 50 years ago in Taiwan, by C.Y. Chen and carried-on today through the leadership of his son, Jeff Chen and a host of carefully chosen craftsmen, artisans and a worldwide dealer network.

And this 2017 Endurance 658-10 "Ocean Suite" is no exception. Highlighting "Ocean Suite's" distinctions include the latest Caterpillar 12.9 1,000hp mains at 2,300 RPM with only 382 hours, Twin Disc MGX-5136 gearboxes with 2.52:1 ratio, Twin Disc Quick Shift EC300 electronic engine controls, Northern Lights 16kW & 20kW gensets with air/water separators, New Caterpillar 7" color engine displays, 4 engine control stations

including two aft wing control stations, Magnum 4kW inverter system, Charles Iso and Isoboost transformers, Charles Solid Power 5000 SP Series 20amp & 50amp battery chargers, LED 24v lighting throughout, Full Garmin electronics package with 5 GPSMAP 7616 multi-touch widescreen displays, FLIR M625 thermal imaging/night vision/infrared camera system with remote, GOST Phantom Security System with Nav Tracker & HD Watch with 6 cameras, A/V system including Bose and New Fusion Apollo series(2019), MarineAir eight zone chilled-air airconditioning/heat climate system, Olympia hydronic diesel heat system with heated floors in galley and stateroom heads, KVH HD7 Tracvision satellite TV antenna system, 2-20 gallon hot water heaters, SeaRecovery 900-1 Aqua Matic 900 gpd watermaker, Flying bridge arcylic enclosure, Flying bridge "Infinity" flooring, 2 Glendinning Cablemasters with 50amp/125/250v 75' shorepower cords, ACR GPS Epirb, Liferaft and Brower 1,600lb yacht crane. Also new bottom paint with prop speed on running gear.

Basic Information

Category: Motor Yacht

Sub Category: Pilothouse

Model Year: 2017

Year Built: 2017

Country: United States

Fly Bridge: Yes

Cockpit: Yes

Dimensions

LOA: 65' 0" (19.81m)

Beam: 18' 0" (5.49m)

Max Draft: 5' 2" (1.57m)

Speed, Capacities and Weight

Cruise Speed RPM: 1000 Kts.

Displacement: 99000 Pounds

Water Capacity: 400 Gallons

Holding Tank: 120 Gallons

Fuel Capacity: 1750 Gallons

Accommodations

Total Cabins: 4

Total Berths: 6

Total Heads: 4

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Manufacturer: Caterpillar

Model: 12.9

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Hull, Superstructure and Deck

- Hand-laid solid fiberglass hull with Cymax (Kevlar)
- Vinylester resin for first 5 layers of hull lay-up
- 2 layers of Kevlar from chine to chine and 3 layers of Kevlar in the forward collision zone
- Hand-laid fiberglass deck, deckhouse & flybridge cored with high strength Divinycell foam
- Hull/deck joint through-bolted every 6", sealed with 3M 5200 sealant, and glassed over with 3 layers of fiberglass
- Longitudinal and transverse stringer system
- Molded FRP rub rails capped with solid stainless steel trim rails
- Molded non-skid FRP decks
- Interior structural components all properly bonded to the hull
- Stainless steel 316L Oval hand rails
- Stainless steel 316L oval Bow Rail and Fly Bridge Rail fitted with mid rail

Fly Bridge/Deck

- 3 x SS hatches for hardtop (center one is larger)
- AC outlet installed at the helm station and entertainment center
- Central vacuum outlet
- Dual chart lockers - with drains
- DCS 30" Propane BBQ
- Storage cabinet for propane tank
- Complete engine & instrumentation displays includes compass
- Davit - Brower w/ power rotation and extension 1600lb capacity
- Twin Disc electronic controls and CAT electronic engine displays
- Electronic horn remote control
- Garmin 7600 series 2 x touch screen MFD displays
- Garmin autopilot
- Garmin VHF radio
- Garmin GPS MFD
- Flybridge FRP hardtop with non-glare texture and LED lights
- Flybridge to pilothouse access hatch with S.S. oval safety handrail
- Flybridge entertainment center. Corian countertop w/ SS grab rail, uncounter sink & grohe faucet
- U-line refrigerator w/icemaker
- Helm station with (3) Pompanette helm chairs
- Helm steering wheel - Cherry and stainless steel

- 32" Fold down T.V
- Electric power steering
- LED lighting - fly bridge hardtop & deck courtesy lights
- Luxury L-settee with designer cushions and hi-lo FRP table
- Non-skid decking
- Search light remote control
- Trim tab controls
- Fusion MS-AV750 DVD/CD/AM/FM system with 4 speakers
- ABT digital stabilizer system remote control
- ABT hydraulic 25 hp bow and stern thruster controls
- Stairway "molded fiberglass" from cockpit to flybridge with teak steps treads
- Tempered glass venturi screen with FRP frame
- Windlass remote control w/ chain counter

Aft Deck, Swim Step and Transom

- Aft deck settee with custom cushions and pillows
- Custom teak table with ebony, holly & rosewood compass rose inlay
- Secure drop down Samsung 32" LED TV
- Teak Deck
- Stainless steel framed sliding door to salon
- Fiberglass moulded steps to fly bridge with teak treads
- Stainless steel oval railing for stairs to fly bridge
- Sliding hatch to fly bridge at top of steps
- Refrigerator under aft deck table
- Day head with vanity
- Overhead LED lighting
- Blue LED courtesy lighting
- Remote camera monitoring system - streaming to Garmin multi-function displays
- Port & starboard docking stations w/ Twin Disc controls and ABT hydraulic 25 hp bow and stern thruster controls
- Boarding gates; FRP port and starboard with SS railing
- Port and starboard transom storage compartments
- Moulded fiberglass full-width boarding step

- Staple-style safety rails 2 1/2"
- Aft corner pop-up cleats
- Large recessed tie-down cleats
- Recessed shore power cable safety ports built into the swim platform
- Fresh water inlet
- Fresh & raw water washdown systems
- Hot/cold transom shower
- Dual Glendenning Cablemaster systems

- Aircraft style transom door
- Molded stairway with teak treads to access aft deck
- Stainless framed glass latching boarding gates with LED lit Endurance logo

Side Decks, Portuguese Bridge & Foredeck

- Covered recessed walkways with teak and non-skid decking
- Fuel inlets & vents built into the house sides for safe fueling
- Engine room air-plenums built-in to the inside walkway bulwarks
- Starboard side of the pilothouse: (2) 250V/50A & (1) 125V/30A power inlets
- TV / Phone inlet starboard side of pilothouse
- 316L stainless steel oval hand rails
- Blue LED courtesy lighting
- Overhead lighting
- Over-sized hawse holes with tie down cleats
- Storage below pilothouse forward windows
- Storage on inside of Portuguese bridge
- Double opening with latch walk through access to fore deck
- Built-in seating with cushions
- Muir 3500 hydraulic windlass
- Anchor: 1 x 50kg Bruce polished ss, 1 x 50kg Plow polished ss w/300' chain each
- Raw & freshwater foredeck wash down systems
- Recessed bow cleats
- 316L oval hand rails w/ welded ss midrail

Salon

- Satin finished handcrafted raised panel Makore Cherry cabinetry
- Frameless boxed windows with custom shades
- Samsung 46" LED HDTV w/ soundbar and subwoofer system
- Wine cooler built-in cherry cabinet with barware cabinet above
- Cabinet for entertainment system port side w/ marble top and TV lift
- USB charge ports at entertainment system cabinet
- 110V AC outlets
- Central vacuum outlet
- Air conditioning w/ reverse cycle heat controls and outlets
- Diesel heat controls and outlets
- Carpet with underlay throughout salon
- Curtain box for salon door
- Custom cherry end tables with marble tops
- Custom upholstered chair aft w/ storage below
- LED overhead and indirect lighting

- Port side (2) upholstered barrel style chairs
- Salon high/low cherry table (manual lift)
- Salon overhead decorative ceiling treatment in Cherry and custom headliner
- Stainless steel sliding entry door
- Starboard side upholstered L - Sofa with storage under

Galley

- Satin finished handcrafted raised panel Makore Cherry cabinetry
- Large under counter stainless steel sink with single lever Grohe faucet
- Granite countertop and forward facing serving bar w/ three custom bar stools
- Heated granite flooring from diesel heat system
- Abundant cabinet & drawer storage
- Drawer organizers dinner ware and utensils
- Induction cookware
- Baking ware and measuring cups
- Coffee maker
- Dishware with plates, bowls, stemware, beverage cups and glasses
- Italian drawer hardware
- LED task lighting
- GFCI 110V AC receptacles
- Sub Zero refrigerator with two (2) freezer drawers and icemaker
- GE Profile dishwasher
- GE Induction four (4) burner cooktop
- GE Profile Oven
- GE Profile Convection microwave oven
- Cooking venting system
- New style GE trash compacter
- Insinkerator Garbage disposal

Pilothouse

- Satin finished handcrafted raised panel Makore Cherry cabinetry
- Custom cherry wood ship's wheel
- Pompanette Pilot chair centerline w/ custom fabric and ss pedestal
- Second Pompanette helm chair adjacent to starboard
- Centered helm pilot station with custom designed helm console
- Twin Disc electronic controls with CAT electronic displays
- ABT hydraulic 25 hp bow and stern thruster controls
- Garmin 7600 series 3 x touch screens navigational equipment and cameras
- Garmin Autopilot w/ wireless remote
- Garmin GPS w/ MFD

- Garmin 200 VHF Radio
- 3 x windshield wipers with washers (Exalto with Park Position)
- Pilothouse windshield defrost
- AC outlets at the helm station
- Air-conditioning w/ reverse cycle heat - air chilled type
- Diesel heat system master switch at helm
- Aircraft style port and starboard pilothouse doors
- Built-in dinette/cruising custom upholstered settee
- Custom cherry table with protective glass top, Top on adjustable slide
- Storage drawers built into table base
- Cherry & holly pilothouse floor w/ custom bound carpet liner
- Complete engine instrumentation & displays
- Anchor chain counter
- Curtain box for the port and starboard aircraft style pilothouse doors
- Curtain box with privacy pleated shades for windshield - (décor allowance)
- Electric horn remote control
- Fire suppression system remote override control
- Frameless windows in pilothouse
- Central vacuum outlet
- Electric power steering
- Interior stairway with stainless steel hatch/door leading to the flybridge
- ABT digital stabilizer system remote control
- Search light remote control
- Ships system indicator panel
- Fusion MS-AV750 DVD/CD/AM/FM w/ speakers for the pilothouse and aft deck
- Trim tab remote control
- Wema brand - fuel and water tank gauges
- Windlass remote control
- LED overhead and indirect lights; red LED light at helm for night piloting

Foyer

- Curved stairway with LED courtesy lights and carpeted steps
- GE Washer & separate 220V Dryer
- Utility storage cabinet
- Custom Italian LED light fixtures and matching cabinet pulls
- Custom Makore Cherry paneling with satin finish
- Niche for framed artwork or mirror
- Custom marble floor at landing with SS inlay
- Cherry and holly floor in front of washer and dryer
- Preparation for water maker in forward bilge
- 20 gallon water heater in forward bilge

Master Stateroom

- Full Beam owner's stateroom with king sized walk around bed
- Custom mattress and bedding
- Satin finished handcrafted raised panel Makore Cherry cabinetry
- Walk-in cedar lined closet behind owner's berth
- Luxurious walk-in head, vanity and shower behind owner's berth
- (3) additional clothes lockers
- Settee with built-in storage on port side
- Dual port and starboard custom portlights; one opening each side w/ screens
- Samsung 32" LED TV
- Fusion DVD/CD/AM/FM stereo sound system w/ four speakers
- USB charge ports
- Storage drawers below bed
- Custom mirrored headboard
- Custom designed headliner with indirect LED lighting
- LED overhead dimmable lighting
- Custom Italian LED light fixtures, matching cabinet pulls and door locksets
- Custom fabric wall panels and headliner
- Air conditioning with reverse cycle heat
- Diesel heat outlets and separate control
- Wall Sconces
- Reading lights
- Custom shades
- Starboard side bureau with storage
- Carpet with underlayment
- 110V AC outlets
- Central vacuum outlet

Master Head

- Satin finished handcrafted raised panel Makore Cherry cabinetry
- Marble countertop and floor
- Heated floor from diesel heat
- Air conditioning with reverse cycle heat
- Tecma quiet flush toilet
- LED task lighting
- Large FRP shower stall accented with Corian
- Grohe shower faucet
- Shower exhaust fan
- Vanity with storage, under counter sink and Grohe faucet
- Custom overhead mirror ceiling treatment with accent lighting
- Stainless steel portlight with screen

- Custom shade
- 110V GFCI Vimar outlets

VIP Stateroom

- Island berth queen size bed w/ storage drawers and storage under
- Satin finished handcrafted raised panel Makore Cherry cabinetry
- Air conditioning with reverse cycle heat
- Diesel heat outlet and separate control
- Makore Cherry and holly floor
- Custom fabric wall panels and headliner
- Headboard reading lights
- Custom mirrored headboard
- LED courtesy lights
- LED overhead dimmable lighting
- Custom Italian LED light fixtures, matching cabinet pulls and door locksets
- Skylight with Ocean-Air screen and blackout panel
- Samsung 32" LED TV
- Fusion DVD/CD/AM/FM stereo system w/ speakers
- Private access to the forward head
- Cedar lined hanging locker
- Drawer storage
- Custom mattress and bedding
- Opening SS portlights w/ screen
- Custom shades
- Wrap around storage cabinets
- 110V outlets
- USB charge ports
- ABT hydraulic bow thruster service access

Port Guest Stateroom

- Side by side twin beds w/ night stand (one slides to port to make a full size bed)
- Satin finished handcrafted raised panel Makore Cherry cabinetry
- Makore Cherry and holly floor
- Custom fabric wall panels and headliner
- Custom mattresses and bedding
- Storage drawers
- Opening SS portlight w/screen
- LED overhead lighting
- Custom Italian LED light fixtures, matching cabinet pulls and door locksets
- Air conditioning with reverse cycle heat

- Diesel heat outlet with separate control
- Samsung 24" LED TV
- Fusion DVD/CD/AM/FM stereo system
- Cedar lined hanging locker
- 110 V outlets
- USB charge ports

Guest Head

- Satin finished handcrafted raised panel Makore Cherry cabinetry
- Marble countertop and floor
- Heated floor from diesel heat
- Tecma quiet flush toilet
- Custom Italian LED light fixtures, matching cabinet pulls and door locksets
- LED task lighting
- Large FRP shower stall bench seat and accented with Corian
- Grohe shower faucet
- Shower exhaust fan
- Vanity with storage, under counter sink and Grohe faucet
- Custom overhead mirror ceiling treatment with accent lighting
- Stainless steel portlight with screen
- Custom shade
- 110V GFCI Vimar outlets

Crew Lounge

- Access from inside stairs from salon port aft corner
- Swim step access via aircraft style transom door
- Over under bunks w/ desk and stool
- Satin finished handcrafted raised panel Makore Cherry cabinetry
- Makore Cherry and holly floor in cabin
- FRP decking with rubber treads in passageway
- Custom fabric wall panels and headliner
- Custom mattresses and bedding
- Storage drawers
- Opening SS portlight w/screen
- LED overhead lighting
- Custom Italian LED light fixtures, matching cabinet pulls and door locksets
- Air conditioning with reverse cycle heat
- Diesel heat outlet with separate control
- Samsung 20" LED TV
- Fusion DVD/CD/AM/FM stereo system

- Cedar lined hanging locker
- 110 V outlets
- USB charge ports
- Central vacuum outlet
- Head and vanity with sink; stall shower

- Makore Cherry and holly flooring at landing from salon steps
- Solid surface counter with sink, storage and refrigerator
- Abundance of bulk storage
- Lazarette area with AC and Inverter panel
- C-Charles transformer
- 2 x Glendenning 250/125V/50A cable master systems w/ 75' power cord
- ABT hydraulic 25 hp stern thruster service access

Engineer Room

- Stand up headroom in engine room
- Dual latch door with window
- 2 x CAT C-12.9L 1000 HP diesel engines
- CAT fuel / water separators
- Electronic engine controls - 4 stations
- Twin Disc transmissions
- 1750 gallons fuel capacity - athwartships FRP fuel tanks
- 400 gallons water capacity
- 120 gallon holding tank capacity
- ABT hydraulic stabilizers
- Olympia hydronic diesel heat system
- Bilge pumps - 4 x automatic, 1X manual pump
- Bronze Seacock's and sea strainers on engine raw water intakes
- Color coded copper water lines
- Color coded hydraulic lines
- Parker fuel lines
- Fuel tank sight tubes backlit w/ LED lighting
- Reverso engine oil changing system upgrade for gears and generators
- Engine automatic shutdown system - Seafire system
- Engine room 24VDC LED lights overhead
- Engine room 24VDC LED lights under engines
- Engine room bulkhead insulated with extra sound insulation
- Engine room emergency bilge pumping system - SS manifold system utilizes engine raw water pumps
- Engine room fans - 24 volt x 4
- Engine room fire extinguisher - Seafire system
- Engine room sound reduction insulation (sound down)

- Fiberglass exhaust mufflers
- FRP non-skid floors with rubber treads
- Fresh water outlet
- Fuel vent filters - Racor marine version MA filters
- High water bilge alarm
- Manual bilge pump
- Pressured fresh water system with Head Hunter pump w/ 24VDC back-up pump
- Racor fuel filters for the generators
- SS engine mounts
- SS rudders and rudder posts
- SS safety grab rails
- Sea Torque Shaft System
- Under water exhaust system with bypass to transom
- Finished bilge

Electrical Equipment

- Northern Lights 20KW/240/120V/60Hz generator with sound shield
- Northern Lights 16KW/240/120V/60Hz generator with sound shield
- Air/water separators mufflers for the generators
- Complete AC/DC breaker/distribution panel with lighting
- 1 x 50amp C-Charles 24VDC battery charger - Engine start bank
- 1 x 20amp C-Charles 12VDC battery charger - Generators
- 10 X 115amp AGM batteries w/box for house bank
- 4 X 200amp batteries w/box 2 x per engine for start bank
- 2 X 200amp batteries w/box for generators
- 4 X Bilge pumps 2000GPH automatic type
- 4kw Magnasine Inverter/120A Charger with remote panel
- 120VAC outlets throughout - Vimar
- 2 X 240/120V/50A Glendenning cablemaster systems
- Aft high bilge water level alarm w/warning panels in pilothouse and fly bridge
- Battery selection switches for the House-Engine-Generator-Inverter battery banks w/emergency switch
- Bonded electrical system
- Garmin camera monitoring system 2 X cameras in engine room and 1 X on the aft deck
- Color coded AC & DC wiring system
- Dimmer switches for pilothouse, flybridge, salon, owners and VIP staterooms
- Fuel & water level indicators - Wema brand
- GFCI outlets - Vimar
- Holding tank level monitor
- LED overhead, courtesy and task lighting throughout
- LED navigation lights

- Starboard pilothouse shore power inlets - 2 X 240/120V/50A and 1 X 125V/30A
- Shore power protection system - galvanic isolator
- Aft bilge high water alarm
- Shore power selection switch

General Equipments

- 316L Grade SS oval handrails on the main and flybridge decks
- 316L Grade SS for mooring cleats, chocks & anchor roller
- 2 X line cutters installed in front of the stabilizer fins
- Air conditioning reverse cycle system - chilled air type (Marine Air)
- Aircraft style doors in the pilothouse
- GE washer and 220V dryer located in the foyer area
- Preparation for water maker - thru hull, sea strainer, wiring
- Central vacuum system 5 X outlets
- Detailed owners manual with drawings
- Dockside water pressure connection
- Door locksets, drawer latches & overhead light fixtures - Chrome finish
- Exterior main & flybridge deck and Cockpit LED Lighting
- Frameless windows
- Fresh water deck wash downs at forward, aft and fly bridge
- Raw water deck wash downs at forward anchor locker and aft (Head Hunter)
- Search light with 2 X remote control stations - pilothouse and fly bridge
- Ship lighting & bilge pump systems indicator panel located in the pilothouse
- Stabilizers: ABT Digital system with 9' Fins
- Stainless steel portholes with screens
- Swim platform with removable 2.5" Dia SS guard rails
- Tecma toilets
- Thrusters - ABT hydraulic 25HP bow and stern thrusters
- Transom door - FRP covered stainless steel aircraft style door
- Trim tabs - Hynautic
- Satellite system
- TV/Cable & Phone inlet - Maritco PH6594 TV-SS
- Underwater lights - 5 X total; 3 X under swimstep and 1 X port and starboard aft hull sides
- Electronics: Garmin
- Landing in foyer marble and SS inlay
- Wood landing in front of washer/dryer
- Limited five year hull structure warranty
- Manufacturer's limited one year warranty on machinery and equipment

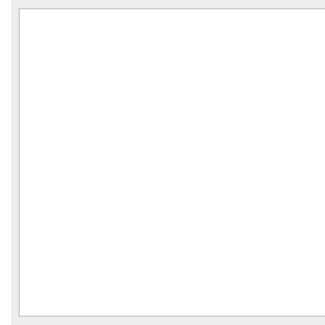

Exclusions

Owner's personal belongings.
