DETAILED INFORMATION

Overview

This is a NEW Listing for a Shannon 50, Aft-cockpit, double entry, double headsail Ketch. Boat is in excellent condition; Not a project boat in any way. Owner is knowledgeable and proud. Feels anyone could take this boat, as is, and go away on a vacation cruise. There is always an on-going schedule of maintenance and this boat has that happening. Boat should survey well and there should not be any hidden surprises. The Shannon 50 is the Flagship of the Shannon breed of sailing yachts. This yacht came with different configurations. This boat is the aft-cockpit, dual entrance, double headsail rigged, ketch. This boat is a serious offshore vessel capable of crossing oceans and doing long voyages, taking whatever the sea offers. Stoutly built by Walter Schultz and David Walters fame, these boats were built to a semi-custom style to reflect the new owner's requirements. All models did reflect the common theme of quality and attention to detail. These boats exude a feeling of nautical history, a traditional comfortable design and a common sense approach to practicality offering good accessibility to systems and a favorable ergonomic, easy living design style. Sail Area: 1227 sq. ft. Beam: 14' 3" Draft - Centerboard: Up: 5' 8" Down: 9' 9" Ratios: Sail Area/ Disp: 31.8 Disp./ Length: 222.85 Ballast/ Disp: 39% Owner's Comment: "Very comfortable in a seaway. Boat has sailed a steady 11 -12 kts. for hours in 15 to 20 kt breezes." Coming from an earlier generation of sailing yachts, do not be fooled as to the boat's performance. This Owner has decades of experience, both cruising and racing. He feels this boat is a powerhouse of performance that easily reaches hull speed. He would be willing to share his opinions. Yet, in a heavier sea condition, this boat will offer a smooth, comfortable motion and enable its crew to enjoy the various conditions that the sea offers. Ideal design for family cruising, serious sailing and entertaining your friends. We hope that you will take advantage and come and inspect this fine, pedigree sailing yacht.

Accommodations - Layout

The Shannon 50 is a dual companionway, three stateroom boat. For sailors that want the feel of a sailing yacht, the aft cockpit is most desirable, yet because of the dual companionways, there is an easy flow for owners and guests to use without sacrificing any privacy. From the aft cockpit, one enters the Master Stateroom. Full double berth on starboard. On port is the navigation station. Head & shower stall are forward on port. Aft of the nav station is a storage area. Folding door separates the Master Stateroom from the forward section. Two opening ports and an overhead hatch. Cabinets, hanging locker, lighting and reading lamps. Moving forward through a hallway with second companionway from center cockpit, is the Guest cabin on port, with over & under berths. Hanging locker is included. Across, in the middle of the boat, is the galley on starboard. Placed here for minimum amount of motion while at sea. Moving forward is the Salon with bench settee on port and U-shaped settee on starboard. Two overhead hatches are in place. Area, can be used as a coffee table, dining table and can be converted into an occasional double berth. Forward is the second guest stateroom or VIP cabin. Large vee berth with filler. This cabin has its own head, sink and shower stall. This head can be entered from the salon area to be used

as the day head. Also includes hatch, opening ports and hanging lockers. Interior is teak paneling with white tongue & groove overheads and bulkheads. The feeling in the interior is that of a traditional sailing vessel with lots of light and ventilation. All primary bulkheads are 1' thickness. Solid teak and inlaid cabin sole. Interior overhead railings are thru-bolted. Hanging lockers are all wood-lined. Wet locker has a fiberglass pan with drain. Teak shower grates in shower stalls. Tilt-out hamper in head. Three TV's on board. Handsome Built-in Liquor Storage & Drop-Down bar in Salon. Book shelves outboard of settee. Multiple fans installed for circulation. Ultra-Suede Cushions in Salon. Hand Holds throughout the vessel. Brass accessories in good condition throughout the boat.
