Overview

MUST SEE!!!! JUST REDUCED FOR QUICK SALE!!!!

Elegant, Exclusive, Sleek, Beautiful 64' Azimut Flybridge. **LOW HOURS!!! ONE (1) OWNER!!!** If you are in the market for a 64' Azimut Flybridge, this is a must see!!! Why buy new and loose a ton in depreciation? This vessel shows in as good as new condition. Very clean, very well kept and maintained. Located in Miami and stored always in shade! Please feel free to contact us at anytime if you have any questions!

This 64' Italian Vessel offers owners a blend of speed, elegance and class. Italian boat building at its best. Sticking with the reliably innovative design partnership of Carlo Galeazzi for the interiors and Stefano Righini's sleek, ground-breaking exterior styling is perhaps less a sign of Azimut's conservatism than of its confidence. These two designers have, after all, been responsible for some of the most influential motoryachts of recent years, many of them created for Azimut or its sister company Benetti. It is a partnership with an impressive back catalogue of boats that work well and look good, straight-out-of-the-box. These yachts are full of eye-catching details and clever ideas that cause rival designers to reach for their camera phones but which are ultimately safe, sensible, and useable designs intended for long production runs.

The 64 is a three-cabin boat with an amidships master suite, forward VIP, and a twin-berth guest cabin on the starboard side with its own access to the day head. The master gets the lion's share of space below decks, but once below it's difficult to complain: it is a superb cabin with its own breakfast dinette and walk-in wardrobe, and a spacious head and shower. Both double beds are 6'7" long by 5'4" at their widest. The twin berths in the guest cabin are a generous 30" across. There is excellent storage under the double mattresses, which lift up and are supported by gas struts. Headroom over most of the downstairs area is 6'4" but slightly less in the twin cabin.
