SPECIFICATIONS

Overview

The only straight shaft and fin stabilized 57 Predator available.

Sporty and sleek, it's stunningly crafted to perfectly balance style with practicality. An electric lowering door between the saloon area and the cockpit, allows the craft to adapt for different climates and create a seamless entertaining space with uninterrupted views.

The uniquely open plan and flexible design of the Predator 57 continues with a fully opening hardtop roof, also a molded aft cockpit with a large L-shaped seating arrangement and wet bar.

Fine and thoughtful design naturally continues to the exterior, with sleek yet over-sized mullion-free hull windows to provide light-filled interiors.

And of course performance matches the Predator 57 style. With speeds of up to 40 knots, it cuts a sharp, impressive figure on the open water. Truly a yacht designed for perfect cruising.

Basic Information

Category: Motor Yacht

Model Year: 2017

Year Built: 2017

Country: United States
