SPECIFICATIONS

Overview

TERESA LYNN features extensive upgrades and continuous maintenance to include full 1000 hour service on main engines to include intercoolers, heat exchangers, hoses, water pumps all belts and fluids and full bottom job, cutlass bearings, rudder bearings prop balance in 2020 - \$60K spent in service in the past 2 months.

A new hull paint and engines overhauled in '14. It is hard to explain how many detailed improvements this vessel has received from her owner. Making this Tiara perfect is a passion that this owner will not let go of, when not making improvements he is researching improvements. From the windlass on the bow to the boarding ladder on the back of the swim platform, everything works flawlessly or it is replaced, rebuilt or engineered. Spotlessly perfect condition from bow to stern, keel to top of navigation light. Must be seen to be fully appreciated!

DETAILED INFORMATION

Highlights

The 52' Tiara Express model has great layout. The bridge deck is a huge space with a large helm to port. The command helm is easy reach and operate all aspects of the vessel. This large air-conditioned area has a removable carpet over a nonskid deck. The L-shape seat to port easily has room for 5 adults with a custom teak table. Behind the helm is a wet bar with icemaker & refrigerator. This area is climate controlled and enclosed with new EZ2CY. Everything in this area is spotless.

TERESA LYNN features extensive upgrades and continuous maintenance to include full 1000 hour service intercoolers, heat exchangers, rebuilt starters, replaced water pumps, hoses, all belts and fluids and full bottom job, cutlass bearings, rudder bearings prop balance in 2020 - \$60K spent in service, May 2020.
