Overview

RARE WEST COAST OPPORTUNITY

PROFESSIONALLY MAINTAINED

SCHEDULE A MUST VIEW TO TRULY APPRECIATE

The history of Hampton Yachts begins in Taiwan 50 years ago where the Chen Family built the famous Formosa line of sailing yachts under the direction of the family's patriarch, C.Y. Chen.

In 1992 the Hampton Yacht Building Company was established and was one of the first Taiwanese companies to start yacht building in China. With the passing of C.Y. Chen, Jeff Chen, Managing Director, and C.Y. Chen's son, together with a select few investors and the Chen Family, expanded on his father's vision. Jointly they built the high tech facilities of today, and initiated the development of the very successful Endurance LRC series, which garnered international praise.

Today Hampton Yachts employs over 200 skilled craftsmen, finish carpenters, designers, engineers and naval architects.

While Hampton Yachts' heritage began in Taiwan, the company's success today, is very much a contemporary story. When the world-wide sailboat market started to soften, Hampton Yachts turned to Motor Yacht design and construction. Many of these new motor yachts were designed in-house under the able and talented direction of Jim Chen.

None of the success would have been possible without the unwavering commitment to quality; in design, construction engineering and craftsmanship. A commitment started over 50 years ago in Taiwan, by C.Y. Chen and carried-on today through the leadership of his son, Jeff Chen and a host of carefully chosen craftsmen, artisans and a worldwide dealer network.

And "Paradigm" 2007 Hampton 740 Cockpit Skylounge is no exception. Highlighting "Paradigm's" distinctions include the reliable Caterpillar C-18 1,001hp mains, Kohler 13kw & 28kw gensets, Xantrex 4kw inverter, Wesmar RS700 stabilizers, MarineAir chilled water airconditioning/heat climate system, Sidepower bow and stern thrusters, Furuno full-nav system, Shuttle XPC Cube PC with Time Zero navigation, KVH M5 satellite TV antenna system, KVH Tracphone F33 satellite phone antenna system, FCI 800gpd watermaker, Viking 8 man liferaft, Simrad epirb, Brower Systems 1,800lb yacht crane and a Boston Whaler 150 Montauk tender with a Yamaha 60hp outboard.
