DETAILED INFORMATION

Vessel Information

The Hatteras 64 Convertible is huge and truly gets you in a class of Sportfish capable of long distance travel. Thanks to the generously wide beam, the 64 yields a massive 164-square foot cockpit that's loaded with features and a huge 186-square foot flybridge that's laid out for optimum comfort. The interior is equally as spacious and well appointed especially her best in class sized salon and galley area and full beam master stateroom. Everything Hatteras could do to make this convertible as comfortable as a yacht, they did and it greatly enhances both the fishing experience and livability of the vessel.

Cockpit:

Mezzanine level seating in the cockpit keeps you, your guests and the crew comfortable and alert while fishing or cruising and inside the seating is everything you are going to need for the trip and today's catch. Possibly most enticing to you and your wallet, she was ordered new to be easily cared for with no teak anywhere to maintain.

- Molded fiberglass, 164 square feet
- 16 square feet of mezzanine seating with new cushions in 2018
- Bluewater fighting chair with offset stanchion
- Polished anodized aluminum ladder to flybridge with acrylic steps
- Transom door with solid gunnel
- Two 50amp shore power cords, retractable
- Seawater and freshwater wash down outlets with Hatteras patented quick disconnect
- Shore water connections with pressure-reducing valve and Hatteras patented quick disconnect, one each port and starboard
- Three storage drawers in starboard mezzanine
- Bait freezer in port mezzanine
- Eskimo ice chipper dump in mezzanine
- Refrigerated drink box in top step below salon door
- Storage in steps below drink box
- (2) 18gal storage lockers in mezzanine
- (2) large fish boxes with macerator, flush in deck, hinged with gas cylinders
- Hatch with lock to engine compartment
- DC overhead lights under flybridge overhang
- Stereo speakers with volume control
- Lazarette access through hatch
- (6) in-gunnel rod holders
- (4) rod holders in pilasters to port and starboard
- (6) Rod holders across flybridge rail

- Electric reel outlets
- In-transom live well by Merrill Stevens (2017)

Flybridge & Helm:

The flybridge is huge coming in at an impressive 186-square feet and is laid out for optimum control and comfort. She's equipped with two helm chairs, a pod-style helm with single-lever electronic controls, pneumatically retractable electronics dashboard that's been updated to the latest and greats from Garmin and wrap-around U-shaped seating with rod storage below. And best of all to round out this impressive bridge... It's all air conditioned with its own oversized and dedicated unit.

- Large U-shaped seating area on bridge with cushions and storage underneath
- Hatteras monitoring system with LCD touch screen display
- 3-sided flybridge enclosure (2017)
- New Garmin electronics package (2017/2018)
- Tournament console with pneumatically actuated lift to protect those new electronics - See electronics section for details
