# SPECIFICATIONS

---

## Overview

---

This Fully Custom Aluminum Trawler built by Meta in France is the perfect match for an owner looking to travel long distances as she boasts impressively low fuel consumption of 12L/H. LOREDANA's spacious interior allows for maximum comfort during long passages, while the flybridge provides a comfortable space to enjoy panoramic views while spending time with your guests. The Rating 1 Volvo engine has been built for professional use and allows for continuous use at full power without interruption.

Launched in 2017, LOREDANA is turn-key ready and found in pristine condition with low engine and generator hours.
