SPECIFICATIONS

Overview

VISIONNAIRE is a first-hand J-Craft Torpedo very well maintained by her passionate owner. She is out of water during winter time.

The J-Craft Torpedo is a very stable boat, aided in no small part by the innovative Volvo IPS drives (with maneuvering joystick). She is stored in a hangar every winter to keep her in an amazing condition. The J-Craft Torpedo is a boat like no other, with its tremendous visual and tactile appeal. Evoking all the glamour of the classic wooden speed boats of the 50s and 60s but with the latest design and engineering techniques (fiberglass superstructure covering with varnish teak), it is the perfect luxury all-rounder.

VISIONNAIRE has very low engines hours (around 300h) and is one of the very few J-Craft Torpedo available in Europe.

Owner is keen to sell and will consider any serious offer.

Basic Information

Category: Motor Yacht

Sub Category: Cruiser
