SPECIFICATIONS

Overview

Large, spacious entertaining areas are in evidence throughout the Squadron 78', from the extensive saloon and upper deck areas, through to the private staterooms, where light and space are combined to stunning effect. All are created using only the very finest materials, including exotic woods, hand-selected granite work surfaces and state-of-the-art design features.

4 cabins layout includes an owner cabin and two guest cabins at midship and a VIP cabin at front accommodates 10 guests in total.

Grand private staterooms combine light and space to stunning effect and as you move through the large, spacious entertaining areas you start to appreciate the wealth of well-considered features. In fact, it boasts the most extensive list of equipment of any yacht in its sector.

The elegant floating seat rests surround the large teak feature table, where 'secret' lights in the table itself create a discreet, romantic ambience. Poise and sophistication also reveal themselves while under way – the design places heavy items (fuel, for instance) over the centre of buoyancy, which gives it renowned sea-keeping properties, a pleasant sound and low vibration throughout.

KEY FEATURES

- Hydraulic swimming platform
- Bow & aft thruster
- 60.000 BTU Cruisair air condition system
