SPECIFICATIONS

Overview

Built as Project FREEFALL and launched in 2016 by the Amels shipyard, PLVS VLTRA is the first in the Amels Limited Edition 242 series. PLVS VLTRA features the best technical platform and specification of any of the Limited Edition Amels 242s built to date. This lavish superyacht features a gorgeous exterior design by Tim Heywood and an elegant interior by the renowned Winch Design team. PLVS VLTRA is a fine example of how Amels has mastered their craft in the Limited Editions concepts of their fleet. Her athletic exterior is well proportioned and gives this fine superyacht a look that is both timeless yet refreshing - this is Tim Heywood Design at their very best. Inside, your breath is taken away by the expansive interior with a very functional yet gorgeous design meant to bring your family and friends together comfortably for extended periods of time. Her interior is evocative of the grand hotels of the Cote d'Azur. She has a generous pool that compliments a full spa and a well positioned beach club that can be utilized in most sea conditions. PLVS VLTRA is an elegant superyacht with a pedigree of excellence that is sure to impress. Her massive interior volume of 1,725 GT features accommodation for 12 guests in 6 comfortable and spacious staterooms. There is also accommodation for a highly trained crew of 18 plus her captain. PLVS VLTRA is a one owner yacht and has been maintained to the highest standards with an open check book. Further, she has benefited from the care and attention of the same highly experience Captain since launch. In essence, PLVS VLTRA shows in 'as new' condition and is an ideal purchase opportunity for the discerning yacht buyer.
