DETAILED INFORMATION

Overview

Manufacturer Provided Description The 240CC was designed and built for the hardcore offshore anglers, where performance, fishing functionality, and durability are mandatory requirements for offshore tournaments for The 240CC utilizes our exclusive Variable Deadrise Stepped (VDS) hull, to give you the driest, best performing ride and the most fuel-efficient hull in its class. The updated designed helm facing offers more space to accommodate now larger flush mountable electronics and larger console headspace makes this a family, fishing, fun machine. With the standard 35-gallon transom livewell you will be able to carry enough bait to give you an edge on the competition. Plenty of rod holders, rod storage, tackle storage and toe-rails make the Sailfish 240CC a real fishing machine. Add in comfortable deep bow seating, a walk through transom door, a removable bow table, a telescoping ski-tow bar and cup holders, everywhere you turn the perfect platform for a family fun day on the water. Available with single or twin outboards to satisfy any power need. Features
