SPECIFICATIONS

Overview

34' Gamefisherman Express Hull #1 completely refit in 2015 by an experienced yachtsman & fisherman. No detail has been overlooked in this sterling example of what's possible when craftsmanship is combined with detailed and practical design.

A spacious and functional cockpit layout makes this boat an ideal machine to chase fish and cruise up and down the coast, where her gorgeous lines will attract admiration in every port along the way.

At the helm you'll find a Murray Brothers helm chair and custom fabricated teak helm pod, complete with classic instrumentation and fully functioning Floscan instruments, and Glenndining electric controls with push-button trolling valves.

Cockpit storage includes port & starboard built in insulated ice boxes that will hold 60 pounds of ice each. Helm & cockpit lighting includes multi-colored LED lighting overhead in the hardtop and under the gunwales in the cockpit and multicolor Lumitec underwater lights in the transom.

In the air conditioned & heated cabin are bunks to starboard, which convert to a lounge, and a galley to port featuring a mahogany counter, sink, refrigeration, and television. Shower, head, and sink are located forward. Storage is abundant throughout, including cockpit lockers, under-bench storage on helm deck, and several lockers down below.

2015 refit included a full replacement of all mechanical equipment, wiring, and plumbing, full paint job including engine room, bilges, hull, and topsides. Caterpillar Certified Remanufactured 3116TA 350hp engines were installed, which produce a 26 kn cruise and 32 kn top end and currently show ~500hrs on the meters. **Caterpillar factory all-inclusive extended warranty expires July 11, 2020.** Engine room may be accessed through a centerline hatch on the bridge deck as well as through enormous hatches on either side of the helm that offer tremendous access to the entire powertrain. An oil change system for engines & transmissions was also added.

Included in the sale is a USCG gear package, including lines, fenders, danforth-style anchor, life jackets, and flare kit. Owner's personal property will be excluded.

This boat is a stunner.

Basic Information

Category: Sport Fisherman

Model Year: 1993

Year Built: 1993

Country: United States

Dimensions
