Обзор

Done Deal is a 56' Viking Repowered and Mezzanine Convertible Sportfishing vessel presented by Galati Yacht Sales, Los Suenos, Costa Rica.

"Done Deal" represents the finest in tournament rigged 56 Viking Convertibles on the market today. To say that Done Deal is a proven fish raiser would be an understatement of epic proportions. With two back to back Gulf Coast triple-crown victories and nearly 2 million in tournament winnings, Done Deal has raised fish successfully in 3 distinctly different bodies of water.

The owner wants to sell half share of it for boat enthusiast. His full time captain and crew are as professional as they come and this is extremely evident throughout the vessel and maintenance schedule. She is a pleasure to show inside and out. Although extremely well equipped and appointed the biggest highlight to note about this vessel is a complete re-powered with the latest 1550 Common Rail MAN package including new transmissions. This was completed by the Viking Yacht Service Center and MAN in April 2013. The 56 offers a roomy 3 stateroom 2 head layout, a very respectable 33 knot cruise, efficient fuel economy, over 1700 gallons of fuel and a very pleasing ride. This one has a mezzanine, VIP crossover forward stateroom, the newer style third guest stateroom and all the extras you could ever need to go with this terrific high performance convertible.

Come and fish the Costa Rican Pacific waters in this spectacular turnkey boat.

Viking 56 Convertible Manufacturer's Overview

American luxury sportfishing and cruising motoryacht builder Viking Yacht Company was founded in 1964. Today, this family-owned and -operated yacht company is a world leader in semi-custom fiberglass yacht production with over 4,000 boats delivered. To the passionate owners of these yachts, the word “Viking” is synonymous with “excellence”.

The Viking 56 Convertible is ideal for serious anglers looking for a sportfishing yacht that is easy to handle and fun to operate but also comfortable for family and friends. It's a beauty to behold, with an elegant sheerline, flared bow and tapered cabin lines that also block exhaust and spray from entering the cockpit. Propeller pockets reduce

the yacht's draft to just 4'10". The flybridge features a central helm with excellent sightlines and forward seating. The cockpit offers 157 sq.ft. of serious fishing space. Outfitted with three staterooms and two heads, the 56 Convertible easily can accommodate three couples or a group of fishing buddies. The main deck has a salon and galley with a host of appliances to port, and a large dinette and storage space to starboard. The amidships master suite features an athwartships queen-size berth. There's a lot to love about the 56 Convertible.
