Overview

IMMACULATE “FRESHWATER” BAYLINER 5788 MOTOR YACHT PILOTHOUSE

This Bayliner 5788 Motor Yacht is now known as a Meridian 580 Pilothouse. This vessel has been kept cleaned/waxed and otherwise well maintained, with any maintenance or repairs performed as required. Bottom just painted and engines, generator and transmission serviced this summer. This vessel is loaded with options, including upgraded 610 MAN engines and everything needed for long-range cruising. This vessel is currently going a major refit. Don't miss it!

Vessel Walkthrough

Cherry Wood cabinets and trim, solid-surface countertops, direct and indirect lighting and designer accents are found throughout. The main salon includes an L-shaped lounge with hi/low cocktail table and ottomans. It offers lots of nature light and entertainment area. Forward of the salon, there is a large dinette directly across from the full service galley, with the pilothouse further forward. The large pilothouse has great raised seating for guests behind the helmsman, with excellent visibility for all. There are heavy-duty sliding doors on either side for quick access to the deck. The command console, with full-scale electronics, is set on the centerline behind an expansive windshield. Stairs to starboard lead to staterooms below. Down below, the ample beam allows very spacious staterooms, with large heads and vanities. The vast master stateroom lies amidships, just past a mirrored door in the companionway, concealing a brand new full-sized over/under washer/dryer. This stateroom has a large island berth, entertainment center and private head which features an enclosed, full-sized tub. The forward stateroom is spacious with island berth and good storage. With four portlights and two overhead hatches, this bright and spacious stateroom also offers privacy, including ensuite access to the head. The third cabin has bunks that criss-cross in an open-L pattern. Interior steps from the pilothouse lead up to the flybridge, where there's a second command station and more seating for entertaining guests. The deck extends aft to provide cover for the cockpit below as well as room for a davit. Integral steps also lead from the flybridge to the spacious cockpit. These steps lift up to reveal the stairs down to the engine room, with emphasis on the word, "room." There's plenty of room around the upgraded twin 610 HP MAN Diesels. The cockpit also provides access to a boarding platform aft, with transom doors to port and starboard.

Salon

From the cockpit, enter through sliding doors to the salon with comfortable seating, entertainment center to starboard, as well as a spacious wet bar and ice maker.

- Lounge, L-Shaped, Stowage Under
- Ottomans (2)

- Swim Ladder, Concealed, Fold-Away

Engine/Mechanical

The engine room is huge with easy access to engines (upgraded 610 MAN) and mechanicals. Full service on engines, generator and transmission done August 2019.

- Fire Suppression System

- Reverse Cycle AC/Heat
- Hydraulic Steering
- Overboard Discharge, Macerator, 24V
- Bilge Pumps, Automatic
- Water Heater - 20 gal
- Alarm, Engine High Temperature/Low Oil Pressure
- Alarm, High Water
- Upgraded Fresh Water Pump w/Upsized Accumulator Tank
- MAN Spare Parts Kit

Electrical System

- Generator, Westerbeke 15kw w/Soundshield - 2100 Hrs.
- Inverter, Trace 4kw
- Batteries w/Isolator and Battery Control Switches
- Battery Chargers (2)
- Battery Paralleling System
- Cable and TV Connectors
- Distribution Panel: 110V AC/24V DC
- Glendinning Cablemaster, 240V/50 amp
- Horn, 24V
- Monitoring System, 24V
- Navigation Lights, 24V
- Westerbeke Spare Parts Kit

Dimensions LOA: 59 ft 4 in Beam: 17 ft 2 in **Accommodations** Number of staterooms: 3

Number of heads: 2

Specification:

- LOA 59' 5"
- LOD 56' 8"
- Beam 17' 2"
- Draft 4' 11"
- Displacement 69,000lbs.
- Bridge Clearance 20' 2"
- Cruise Speed 17 Knots
- WOT 20 Knots
- Hull - Fiberglass Construction
- Hull Keel - Modified Vee Section - Moderate Displacement
- Bronze Spade Rudders
- Decks - Fiberglass with Sea-Dek
- Superstructure - Fiberglass with Core
- Designer – Brunswick Corporation
- Builder – Brunswick Corporation
- Built in Arlington, WA. USA

Tankage:

- FUEL - 800 Gallons in 2 Aluminum Fuel Tanks
- DOMESTIC WATER - 226 Gallons in 1 Plastic Water Tank
- WASTE HOLDING TANK - 76 Gallons in 1 New Stainless Steel Holding Tank

Interior:

- Sleeps 6 - 2 in Forward Private Stateroom - Pedestal Bed
 - 2 in Mid-Ship Private Stateroom - Twin Bunks
 - 2 in Master Stateroom below Pilothouse Queen Size Bed
- Hot & Cold Pressure Water System
- **Horizon SeaFari HRO Watermaker System**
- Double Stainless Steel Galley Sinks
