SPECIFICATIONS

Overview

REDUCED!! Incredible yacht loaded with features. Brightwork done 10/19. Easy to see at Long Bay Pointe Boating Resort in Virginia Beach!!

"Bolero" is brand new to the market, and is the only Grand Banks 41' Europa available in the United States! She is powered by low-hour (@1100) Cummins QSB 5.9 425hp diesels coupled with Zeus pods- all recently completely serviced by Shearwater Marine in Stuart, FL. (Copies of invoices available). In addition, the yacht features a new INMAR 11' inflatable dingy with a Honda 20hp 4-stroke, and a new Steelhead Marine dingy davit (with extendable arm), both new in 2018.

Other notable features include:

- New oil change system installed 2018
- Tool chest with complete inventory included
- Spare filters/parts
- Top-loading freezer in utility space
- Extra stand-up refrigerator in utility space
- Washer/Dryer hook-up in utility space
- Dual Racors for both main engines
- 11.5 KW Onan Generator w/1640 hrs
- Full Raymarine/ICOM electronics package both stations
- Joystick control with "Skyhook" feature
- Full custom canvas package (all salon windows and flybridge settees)
- Over \$100K in improvements spent in 2018/2019
- Full-length keel that extends below the running gear

She is the perfect choice for the Great Loop, Chesapeake Bay, Intercoastal Waterway, Bahamas, or wherever else you wish to explore. She can sip fuel at full speed, or she can economically cruise at 20+ knots. It all depends on your schedule!

Total Cabins: 2

Total Heads: 2

Hull and Deck Information

Hull Material: Fiberglass

Hull Configuration: Modified V-Hull

Hull Color: White

Engine Information

Engines: 2

Manufacturer: Cummins

Model: QSB5.9

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Accommodations

Covered Aft DeckThe handsome teak swimplatform and varnished teak transom lead through a transom door to a covered teak aft deck. This deck provides easy access to the engine room through a large hatch, and access to the salon through double doors. 2 large in-deck hatches allow for storage, and stairs allow safe passage to the flybridge. There is plenty of space left for lounging, and the wide side-decks are easily accessed on either side of the house.

Salon The salon is open and airy from the double doors to the cockpit to the windshield. The galley-up is low profile and visibility is excellent from the helm in all directions, especially out the side door. Storage abounds, the settee converts to extra sleeping, and there are window treatments for privacy, but ample light and ventilation for comfort. There is also the well-known Grand Banks high/low table that folds out to make a rather large dining table when wanted.

Utility SpaceEasily accessed via a large hatch in the salon, the utility room offers a top-loading deep freezer and an ample stand-up refrigerator for those who wish to extend their cruising range. Also included is a large tool-box full of valuable tools (convey), several other tool bags (also full), various spare parts and filters, work-bench w/ built-in vice, and more storage than a cruising couple could possibly need. Also located in this space are the two fuel tanks port and starboard, and the fresh water tank forward- all 3 with site gauges. Again- even with all of the equipment already aboard, there is plenty of room for more depending on your intentions.

Galley The galley offers excellent work space with plenty of counter tops area, and 360 degree visibility. The chef never has to leave the salon, and the captain has easy access to the refrigerator and icemaker while operating from the lower station. The galley equipment includes an under-counter refrigerator with teak facade and small freezer, convection microwave and very smart systems for storage. The boat comes with factory crystal and china.

HeadThe spacious head is accessed from both the companionway and private entry from the master stateroom. Plenty of room and storage, fresh water head, and separate shower compartment behind an elegant glass door. The shower has a seat and a sculpted corian sole, branded with the GB logo, a very nice touch. There are sliding mirror panels which open up to expose a port light.

Master CabinThe master stateroom is forward, and features a centerline queen berth that is easily accessed on both sides, a large cedar-lined hanging locker, overhead hatch with screen and shade, ample drawer storage, dimmable overhead lighting, two reading lamps, portlights port and starboard (with curtains), plenty of headroom, separate climate control, and private access to the head. The joinery and woodwork is quite elegant, typical of what to expect from Grand Banks.

Guest CabinLocated amidships to port, the guest cabin makes a great use of the available space. The room features twin berths that can convert to a large double, dimmable overhead lighting, portlight with curtain, large cedar-lined hanging locker, ample drawer storage, and separate climate control.

Galley

- Princess 3 burner stove
- Sharp Convection Microwave Oven
- Refrigerator/Freezer under counter
- Freezer (in utility room)
- Second refrigerator (in utility room)
- Icemaker under helm seat
- Glass and bottle storage
- Corian Countertop
- Stainless steel sink
- Dedicated trash bin
- Exhaust blower
- Cutlery and utensil storage
- Top-loading dry-goods storage
- Clever slide-out spice and dry-goods storage

Flybridge

The flybridge is easily accessed via a set of molded teak stairs leading up from the aft deck. The area is quite large, with twin pedestal-mounted chairs forward for captain and mate, a straight settee to port, and a large "L-shaped" lounge to starboard with beautiful teak cocktail table. Forward is the centerline helm console, and aft is the upper deck with tremendous storage compartment and dingy/davit storage. Other features include:

- Canvas Package which includes bimini top, console cover, settee covers, padded table cover, and dingy cover.
- Chart locker, port and starboard
- Courtesy lights 2 forward storage lockers, and storage lockers beneath settees
- Sliding hatch over the aft deck

Electronics

- Two (2) Raymarine E120 High Resolution 12" Color LCD Multi-function Chart Plotter Displays (upper and lower)
- Raymarine 4kw 48 mile 24" radar dome
- Two (2) Raymarine ST60 Plus Digital depth (upper and lower)
- Wind speed/direction indicator
- Seawater/air temp gauges
- Class B AIS Transponder
- Two (2) ICOMM506 VHF's (upper and lower) with upgraded microphone kits

- Autopilot through Zeus system (linked to Chart plotters)
- Skyhook feature
- Auto trim-tab feature
- Joystick control feature

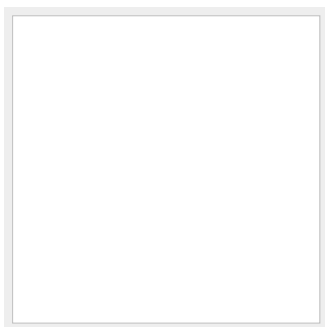

Exclusions

Owner's personal belongings.
