THIS BOAT IS OUR TRADE WITH A RECENT PRICE REDUCTION!

Chaparral has been in business since 1965 and has built more than their fair of run about type boats. The 246 SSI is probably the most popular they have ever made. Her sleek lines coupled with ample seating for up to fourteen make her a true family cruiser that is done in style. Her 300hp Volvo duo prop set up give her above average power and acceleration for pulling tubes, wakeboards, water skis, or just taking the family to dinner.
