SPECIFICATIONS

Overview

All fresh water this boat is a great find! She has been well loved and is ready for a new owner as her current one has already bought his new boat. She has twin Crusader 454s, 2 cabins, and 2 heads. She has a lot of space to offer both inside and out for a 36 foot boat. This model was made from 1982-1989 and was the biggest boat ever built by Carver at the time she was introduced. She was successfully sold due to her lay out and "dual mode" hull, meaning she can run efficiently at a 7-8 knot displacement speed and still plane out when the throttles are fully applied making her a great loop boat. This particular vessel is the Plan B layout that features a salon offering seating for 5 and a sunken galley/dinette.

Basic Information

Category: Motor Yacht

Sub Category: Aft Cabin
