SPECIFICATIONS

Overview

This 33' egg harbor has always been used in the fresh water of the Great Lakes. No Salt water use ever.

The "Crack of Dawn" features a large salon with large windows, the galley is down a few steps to port, the head is to starboard and has a large walk-in shower. Her single stateroom is forward. The teak decked cockpit is the perfect size for fishing or entertaining and the flybridge is very comfortable with two Pompanette helm chais and bench seating forward of the helm. The strataglass glass Enclosure is in great shape.

Her experienced owners have spared no expense in maintaining and upgrading her both mechanically and cosmetically over the past few years. Please see list of upgrades.
