#### COMMENTS

RUSH is perhaps one of THE most iconic fast Mediterranean

superyacht of her generation. Part of the Mangusta 165' range from Overmarine shipyard and hull n°5 of this serie, RUSH was delivered in 2010 and she is kept in pristine condition since then.

Finalist of the World Superyacht Awards 2011, she boasts aggressive and powerful lines designed by Overmarine and Stefano Righini, enhanced by two MTU 16V engines developing 3,440kW each, for a total output of 6,880kW and a top speed exceeding 30 knots.

Her on-board exterior facilities include a wide Main deck aft area with an amazing pivoting dining / coffee table for 10 guests and sun pads or a lovely sunbathing area on the bow ideal for more private moments during your journey. The Sun deck offers a panoramic view over the sea with dining area, sun pads and a second helm station.

RUSH's interiors are designed by Giorgio Vafiadis: bright and masculine, her layout includes high gloss Wenge wood, Mother of pearl, Onyx, silk blend carpets, high end designed Foglizzo leather wall panels and impressively high ceilings for a vessel of this range.

The Main deck salon opens on to the dining area and the bar, and leads to a wide social area with a super comfortable round sofa for launching and watching the 82" TV screen fitted here, including a large cinema library. Going forward to the Lower deck, RUSH unveils five en-suite luxurious cabins for 10 guests, all tastefully decorated with beautiful Lalique taps: a marvellous full-beam Master with His and Her bathrooms, a VIP nestled in the bow, one Guest cabin with double bed and two Twin cabins (one with an additional Pullman bed).

Her exclusivity is also hidden here: RUSH offers a fully-fitted Massage zone with steam room in this area, unusual on open yachts.

RUSH is also made for efficient and dynamic crew, thanks to her upgraded Crew area now fitted with five cabins.

Created for unforgettable moments at sea with a large set of water toys available on board, RUSH is dedicated for those looking after new sensations and incredibly fast cruises over the seas with the same comfort and consideration for well-being as the best palaces in the world.
