SPECIFICATIONS

Overview

This is a beautiful single engine express cruiser that can easily be trailered or dry stacked. It meets all the requirements to be treated as a second home for tax purposes. It will comfortably sleep 4 in a convertible V-berth and a mid cabin and has a spacious head/shower compartment. It has a functional galley and is complete with a reverse cycle heat/air conditioning system. The best interior feature about this model is the forward facing windows that let natural light into the cabin unlike most express cruisers that are dark and claustrophobic feeling inside. Boat has been serviced and is ready for the season. Risers and Manifolds have been changed and it sports a brand new Volvo Duoprop Outdrive. Call today and be on the water this summer.

Basic Information

Category: Cruiser

Sub Category: Express

Model Year: 2006

Year Built: 2006

Country: United States

Dimensions

Engine Type: I/O

Fuel Type: Gas/Petrol

DETAILED INFORMATION

Vessel Description

There are more cubic feet of livable interior space in this 25 Express than in Express Cruisers two feet longer. It's lighter, brighter and airier than any conventional trailerable cruiser. The large, windowed main cabin offers a comfortable dining area that converts to an oversized berth. There's a full standup head compartment, and the galley is complete with stove, sink with pressurized water, refrigerator, microwave and Corian countertop. The mid-cabin comfortably accommodates children or adults in the large berth. All this in a 25-foot trailerable cruiser that offers the highest level of standard equipment, equipment you would pay for as options on similar cruisers. The stand-up head compartment contains an integrated sink with hot and cold pressurized water, generous storage and a standard VacuFlush head.
