SPECIFICATIONS

Overview

Built by US yard Palmer Johnson to an in-house design, KHALILAH was delivered in 2015 as the world's first all-carbon superyacht, complete with an eye-catching gold exterior livery. An interior with stained oak flooring and neutral furnishings accommodates up to 11 guests in five cabins consisting of a master suite and VIP suite on the main deck and two doubles and a twin with a Pullman berth on the lower deck. All guest cabins have entertainment centres, television screens and en suite bathroom facilities while the crew quarters sleep nine staff aboard KHALILAH

The perfect chill-out area, the main deck saloon has a relaxing Zen-like atmosphere. Floor-to-ceiling windows provide a stunning ocean backdrop to the vast seating area and Karelian birchwood bar. Glass doors lead out onto the covered al fresco dining area with a bespoke cactus wood dining table for 10 guests.

On the upper deck, the skylounge is perfect for socialising after-hours. Finished in all-white with bright splashes of colour, overhead skylights and loungers give the skylounge a contemporary loft ambience.
