SPECIFICATIONS

Overview

The new MCY 70 perfectly embodies Monte Carlo Yachts' values, and the Nuvolari Lenard design emphasizes the yacht's role as a home-away-from-home with particular attention given to wider interior volumes and enlarged exterior entertainment areas where shaped bulwarks enhance the quality of light and space across the main deck and new portholes and windows create an even more immersive relationship with the ocean and the outdoors. The interior decoration on the new MCY 70 is unique and elegant, and makes use of geometric patterns and linear structures to bring together a living experience that is both warm and contemporary. The use of reflective materials and lacquered woods emphasizes brightness throughout the interior spaces. These elements are softened by the natural wood flooring and vertical panels and rich fabrics, which provide a pleasant contrast to the crisp lacquered interiors. Other defining traits of the new yacht include a carbon fiber T-Top inspired by MCY largest models featuring lateral supports for a 360° view of the seascape, and an extended Flybridge with a fully customizable lounge area and tables served by an open air galley for a private and elegant al fresco dining experience on board.

Basic Information

Category: Motor Yacht

Model Year: 2017

Year Built: 2017

Country: Turkey

Vessel Top: Hardtop
