SPECIFICATIONS

Overview

Sistership of BRIGADOON – Winner of the Best Yacht in the semi-displacement or planing motor yachts 33 to 39.9m category World Superyacht Awards 2019 – Moonen is currently building the second model of its Caribbean Line. </p>

The 36m MARTINIQUE is under construction with a short delivery scheduled for August 2020. Hull and superstructure are nearly finished and Studio Indigo have designed a sophisticated, chic and comfortable interior styling.</p>

This interior concept remains flexible to allow prospective owners to customise the interior design to personal style and taste. A timeless and well thought out interior layout maximises the feeling of space and light on board making MARTINIQUE feel significantly larger than her length suggests.</p>

She will welcome 12 guests in five versatile cabins: a full-beam owner's cabin on the main deck featuring wraparound windows, plus two double cabins and two twin cabins on the lower deck. Seven crew are also accommodated.</p>

Her steel hull and aluminium superstructure, delivering a volume of 337 GT, are Lloyd's classed and MCA compliant. Her shallow draft of just 2.2m (7.2ft) opening up a range of peaceful anchorages, lagoons and cays out of bounds to other yachts combined with an impressive range of 4,000nm will offer you a true go-anywhere yacht.</p>

With several propulsion options still available for customisation, including the fitting of twin Caterpillar C32 engines, MARTINIQUE will reach a top speed of 16.5 knots and a comfortable cruising speed of 14.5 knots.</p>

MARTINIQUE represents a rare opportunity to take ownership of a brand-new Northern-European 36m motor yacht.
