SPECIFICATIONS

Overview

The Fountain 38 Sport Fish Cruiser was developed to meet the growing needs of fishermen to have a large express fishing boat with overnite capabilities, lots of fishing room and the performance of a triple engine center console. Fishability ranked high on our customers wish list so we equipped this boat with a walkthrough transom door, two rear 30 gallon transom livewells, a large bait station with storage drawers underneath, icemaker, two large fish boxes with 500 qt. total capacity and an optional fighting chair. The problem many fishermen face today is how to get to where the big ones are biting in a reasonable amount of time while burning a minimum amount of fuel. The 38SFC is the solution. Powered with Cummins 320 hp Diesels, the 38 SFC is undoubtedly the fastest, most fuel-efficient boat in its class.

Basic Information

Category: Sport Fisherman

Sub Category: Express

Model Year: 2006

Year Built: 2006

Country: United States

Dimensions

LOA: 38' 0" (11.58m)
