- New UK main sail cradle 2018

- New Garmin GPS 2018

Jean Marie Finot designed this second generation Oceanis to provide her owners with plenty of cruising performance and comfort, blended with safety and true ease of handling.

Her long waterline of 38' and wide beam of almost 13' create a very spacious cruising interior that can easily accommodate the family or friends.

Her fin keel with bulb has a low center of gravity which allows her to sail efficiently on all points of sail while providing excellent stability. The large diameter wheel, coupled to a counter-balanced rudder, provides precise and easy steering under sail or when maneuvering under power in tight quarters.

This Oceanis 400 has a wonderful layout with two heads with shower, two aft double enclosed cabins, and a master double ensuite forward. The salon is beautifully appointed in varnished teak for entertaining guests.
