SPECIFICATIONS

Overview

Meteor has just been launched (summer 2018) and is now available for sale. Interior has lots of loose furniture and has not been fully decorated so that new owner can still give his own twist and identity to this recently delivered yacht. With RINA C and MCA compliant, 10 guests and great accomodation for up to 9 crew she would also make a great charter yacht. The yacht encompasses a steel hull with three decks and aluminum superstructure. Twin Cummins provide 12 knots cruising speed, 16 knots max. Please contact us for further information.
