Vessel Walkthrough

Accommodations

From the aft deck, **Zoom** is entered through dual sliding stainless-steel doors into the bright and airy salon. To starboard is a large, comfortable settee and a teak high/low folding table. To starboard is two barrel chairs. Large, tinted, safety glass windows allow natural lighting to fill the large salon as well as offer views of the surroundings. Custom carpeting is utilized throughout. Moving forward and to port, the U-shaped galley is situated within the salon when conversation can flow between the galley and owners/guests lounging in the salon. Storage abounds in the Symbol 5 Pilothouse. The galley utilizes many drawers and cabinets for lots of provisions. The galley has all of the features of home including, trash compactor, three burner stove, Whirlpool refrigerator and freezer, microwave/convection oven, under counter deep freezer and stainless-steel sink.

Moving forward and up a couple of steps, one finds the pilothouse with a sliding door to port and starboard both with sliding screens. To port is a large settee and custom teak high/low table. The helm is thoughtfully laid out and comfortable. All of the electronics and navigation equipment are within hands reach. From the pilothouse, the staterooms below deck are accessed through a spiral companionway to starboard. The VIP stateroom includes a full sized island berth along the centerline with hanging lockers, cabinets, and drawers. Private access to the guest head is located to starboard and aft. The guest head includes vanity, vacuflush head, stand up shower stall, and good storage. Moving aft, the full beam master features a centerline queen berth, cedar-lined hanging lockers, drawers and cabinets. The large master head is situated to starboard and includes a large shower stall, vanity, lots of storage and vacuflush head system. The GE washer and dryer are conveniently located in the master stateroom.

Galley

As with the other features of **Zoom**, her galley has been well equipped for extended voyages. Storage of provisions and gear rivals that of a much larger vessel. Additionally, she includes features such as dishwasher and trash compactor that are not typically found on yachts of her size. The bright, open, and airy arrangement of the galley allows for flowing conversations throughout the galley and salon.

Hull and Deck

As cruising and livability were priorities in the design of the Symbol 52 Pilothouse, the layout of the deck makes movement throughout the vessel comfortable and safe. **ZOOM** has wide side decks with high stanchions, lifelines for comfortable and safe passage from the aft deck to the foredeck and pilothouse. Ground tackle and mooring gear is beefy and includes, remote windlass and washdown. To make cruising even more pleasant, **ZOOM** includes stabilizers by

Naiad. These 6 square foot stabilizers actively work to reduce rolling motion in adverse conditions. The stabilizers were recently serviced (1/2017) and ready for action. The Symbol 52 Pilot House includes an integrated swim platform with recessed ladder for swimming, diving, and line handling. The aft deck features a large lazarette with lots of storage for swimming and diving gear. A watertight, lockable door/hatch provides engine room access from the aft deck. The rudders and emergency steering system can be easily accessed through the lazarette.
