## Overview

---

"Blue Eyed Lady" is the nicest and most up-to-date CABO 45' of her vintage, and she rivals most of the newer models as well! She features the upgraded 1050hp MAN engine package- All services (including 1,000 Service about 2 years and 200 hours ago) are complete, and she has only 1,760 total time on her engines. Originally a new England boat (short seasons!), she has only been in Mid-Atlantic waters for the last 3 years. She has been stored on the hard and winterized each winter, and her painted Flag-Blue hull shines like new. She comes with a custom tuna tower, air conditioned helm deck, Palm Beach electronic controls, Bow Thruster, Life Raft, and just about every factory option available.

\*Preliminary Listing- more photos and specifications to be available ASAP.\*\*Main photo shows the boat with a full fighting chair. This chair does not convey, and will be replaced with the original varnished leaning post with rocket launchers that came with the boat.
