### ***End of Year Special:***

**90 days of free moorage at our docks in South Lake Union - call us for a test ride!**

“Easy to handle.” “Go anywhere versatility.” “Sheer modern luxury.” The key principles driving the design of Riviera's all new 395 SUV.

New to skippering a luxury motor yacht but at home behind the wheel of a luxury contemporary car? Congratulations. You're ready to take command of your own Riviera 395 SUV. Better still, experienced skippers can look forward to next level of performance, economy and control.

We have created the EMERALD EDITION by selecting numerous options, both functional and decorative, to ensure maximum comfort for the proud new owner.

**Retail Price: \$857,410 - Call for end of year blowout price!**

## Корпус и палуба

**Материал корпуса:** Fiberglass

## Информация о двигателе

**Двигатели:** 2

**Производитель:** Volvo

**Модель:** Penta D6-IPS 500

**Тип топлива:** Diesel

# ПОДРОБНОЕ ОПИСАНИЕ

## Accommodations Forward

The lower deck provides sleeping accommodation in comfort for five adults in two cabins; a forward master stateroom with queen-size walk-around double bed and a midships cabin with three single berths.

The master stateroom includes a wardrobe on the port side aft quarter as well as overhead lockers and shelving for personal items on both sides.

The midships cabin includes a wardrobe at the entry. The twin beds on the starboard side can be converted with an infill into a large double bed. Ample storage is available under the twin beds and a clever 6'6" long storage cabinet is overhead, above the port bed, suitable for rod or lifejacket storage.

The very generous-size head includes a vanity, Vacuflush toilet and separate shower stall. With two-way access, the head can be utilised as the master ensuite and day head.

Light and fresh air throughout the accommodation deck is introduced by a clever design of windows, portholes and deck hatches. The master stateroom includes a aft-hinging deck hatch with insect screen and blind. Hull windows on both sides add more light. In the midships cabin, light is provided by generous windows, equipped on both sides with opening portholes. The head is bathed in light through a large hull window that includes an opening porthole plus a deck hatch

## Helm and Raised Lounge

In the saloon, a lower helm and companion seat on the port side forward are standard, with a raised lounge opposite, providing views forward for guests and allowing the skipper, mate and crew to all interact while under way. A lift-up 32-inch TV is positioned forward of the lounge, making it viewable from every part of the saloon and the cockpit. Entertainment can also be provided through the radio and CD sound system with iPod interface.

Sunroof hatches are set on the port and starboard sides of the SUV hardtop, above the helm and forward lounge.

## Main Deck Level

An aft galley on the starboard side includes an electric cooktop, sink and food preparation benchtop, under-bench convection microwave and deep drawer fridge.

The raised dining area, with L-shape seating, is on the port side opposite the galley offering sweeping views through the wrap-around windows, windscreen and aft through the glass bulkhead door and awning window.

The tinted-glass bulkhead between saloon and cockpit is made up of a fixed window behind the starboard-side lounge, an outward-opening stainless steel framed glass door and awning window on the port side.

#### Entertainers' and adventurers' cockpit

The cockpit is a generous space for entertaining with comfortable seating for up to eight adults and is also the perfect platform for all manner of water sports.

A barbecue unit with a lid and LED lighting is set across the transom, facing forward and accessed from the swim platform so the chef is at the heart of the conversation and entertainment. The unit also includes a sink and food preparation space. Below the barbecue unit, a storage hatch opens from the top with lockers along port and starboard sides, an under-floor storage or fish bin and a counter-top cabinet in the port forward quarter, below the awning window. The cabinet includes a moulded sink with mixer tap, storage space under and an optional icemaker.

## Engines / Power

Twin Volvo IPS 500 - D6 Diesel - (370hp) w/ IPS propulsion units

Electronic Steering and Controls

2-Joysticks

5-Year/1000hr Volvo Penta Warranty Package

The proven performance of IPS offers excellent power-to-weight ratio, spirited performance, enhanced torque, improved fuel efficiency, simple slow-speed joystick maneuverability and quiet operation thanks to under-water exhausts. The system includes electronic variable rate steering and electronic controls including a joystick for slow speed manoeuvrability. The drive units are protected by the Volvo Penta Active Corrosion Protection System to complement sacrificial anodes and line cutters. All Volvo Penta components and electronics are covered by a five-year warranty for further peace of mind.

## Additional Information

Sunlovers will enjoy a moulded inset in the foredeck that can take a large sunlounge

pod with integrated drink holders.

Another feature new to the Riviera flybridge and SUV collections is raised bulwarks on the side decks. The raised bulwarks, which are up to four inches in height from the deck, provide an additional level of security when moving forward or aft along the side decks.
