SPECIFICATIONS

Overview

This powerful open fisherman goes further faster on an innovative new hull that features stylish sheer lines, a reverse transom, and wider chines. The increased surface area of the transverse stepped hull provides greater support and stability for the heavier 4-stroke engines. The bullet-style console with forward seating glides to port with a touch, for an easy step-down into a spacious head with vanity and sink. Then there is the huge storage capacity courtesy of two uniquely designed gunwale lockers. The always ready anchor storage means no bow pulpit. And the optional side entry dive door is not only comfortably convenient, but positioned safely away from props. Integrated storage, bait well, and cooler options in the forward lounge seating provide unmatched comfort and versatility.

You can expect the same smoothness on the water that every Intrepid is known for. A smooth, dry ride and maximum deadrise are the result of their industry-leading transverse stepped hull design. Vacuum-bagged, hand-laid knitted uni- and multi-directional fiberglass laminates, foam-cored hullsides, transoms, boat deck liners and wood-free construction provide unprecedented strength, rigidity and safety without the performance-robbing weight.

Basic Information

Category: Center Console

Model Year: 2017

Year Built: 2017

Country: United States

Dimensions

LOA: 37' 0" (11.28m)

LOD: 37' 5" (11.40m)

Beam: 10' 6" (3.20m)

Speed, Capacities and Weight

Cruise Speed: 40 Kts. (46 MPH)

Max Speed: 58 Kts. (67 MPH)
