DETAILED INFORMATION

Accommodations

The 2001 77' Horizon MY, HUEY'S ISLAND features a layout perfectly configured for extended cruising, maximizing space and overall ease of operation. Accommodations for six owners and guests in three staterooms below, including a full beam master suite with his and her bath. Interior satin finished Makore African Cherry joinery throughout with high gloss Carpathian Elm burl trim. All flooring is planked mahogany covered in most areas with textured bound edge carpeting. Entering the main salon from oversized stainless steel framed glass sliding doors, the wet bar is to starboard, with a large U-shaped ultra suede built-in sofa to port. Large side windows with matching Makore wood blinds flank the salon, allowing for an abundance of natural light. Forward of the salon is the fully equipped galley to starboard and dining table for six to port, with a convenient pilothouse all the way forward, flanked by water tight side entry door to port and starboard. A stairway on the forward port side of the pilothouse leads down to the full beam master stateroom with his and her baths, VIP guest stateroom and twin guest stateroom both with en suite baths. The captain and crew's staterooms, utility/laundry area and engine room, are easily accessed from the interior via a stairway on the port side aft in the main salon, providing complete privacy for the owners and their guests. Exterior features include a spacious 16' wide by 12' deep aft deck and full walk-around side decks with 2 1/2' bulwarks. Port and starboard curved stairways aft lead down to a 5' swim platform and an aircraft style water-tight door in the center of the euro-transom, accessing the crew's area and engine room. Another stairway forward on the port side of the aft deck leads up to the flybridge and boat deck.
