SPECIFICATIONS

Overview

As an early adopter of pod drive systems, Sabre Yachts has a clear understanding of how these revolutionary drives can best be used to increase efficiency, maximize ease of operation and owner confidence. The all-new Sabre 48 Salon Express is our fifth pod driven model and she takes full advantage of this technology in both her performance and in her interior accommodation plan.

The 48's traditional exterior profile belies the contemporary performances of her vee-hull. She cruises at 27 knots and at wide open throttle she'll attain more than 32 knots. With the Zeus pod drive system, turns at speed are as exciting as they are in a fine sports car but perhaps even more exhilarating is the quiet that one experiences at cruise speeds. Less than 75 DbA makes her one of the quietest motoryachts available today. The joystick and Skyhook operations give every Captain the confidence to dock her in the most difficult of circumstances.

Her raised cockpit sole brings together the social aspects of the cockpit and main salon and the aft end of the house opens up fully to connect the spaces. Her main salon offers ample seating surfaces for entertaining or simply relaxing to read or enjoy the standard entertainment systems. While underway the raised settee to port of the Stidd helm chair is a perfect place for the crew to enjoy the ride. And when docking, a standard side deck door serves her helmsman and crew, well. The two cabin, two head layout is supplemented by a mechanical space forward of the engine room. Optionally, this space can be laid out as a crew quarters with berth and head unit.

Basic Information

Category: Motor Yacht

Sub Category: Express

Model Year: 2016

Year Built: 2016

Country: United States

Dimensions

LOA: 48' 0" (14.63m)

Beam: 15' 4" (4.67m)

Max Draft: 3' 9" (1.14m)

Clearance: 14' 2" (4.32m)

Speed, Capacities and Weight

Cruise Speed: 27 Kts. (31 MPH)

Max Speed: 32 Kts. (37 MPH)

Displacement: 34700 Pounds

Water Capacity: 160 Gallons

Holding Tank: 70 Gallons

Fuel Capacity: 520 Gallons

Accommodations

Total Cabins: 2

Total Heads: 2
