SPECIFICATIONS

Overview

Rebecca Lynn is a fine example of the popular Traditional designed Monk 36. She offers a simple reliable workhorse Perkins 135 naturally aspirated diesel engine and Vetus bow thruster with controls at both helms. In the last year, the owners have replaced the bimini, salon cushions and curtains and master berth mattress. This Monk design is a popular cruising boat as it provides three boarding access points to the walkaround decks guarded by high stout rails, port and starboard doors to the interior and easy access to the flybridge. Rebecca Lynn is as equally qualified to cruise the Great Loop and the Bahamas as it is for weekend adventures.
