SPECIFICATIONS

Overview

The Pershing 82 VHP is a marvel of luxury speed and overall performance packaged into an extremely beautiful shell. Length over all is 82 feet (just over 24 meters) long and 18 feet 1 inch (5.50 meters) wide, with a weight of 144,619 lbs fully loaded. Inside the machinery room you'll find 2 X MTU 16V2000 M96L's for a total of over 5200hp coupled to Top Systems surface drives making the operation of this sport yacht about as fun as it gets on the water!! All this while being able to calmly chat in a normal tone of voice because of how well the boat is built and insulated providing very low noise levels. As a winner of three World Yacht Trophies that heralded its debut at the Festival de La Plaisance in Cannes, you will understand why this fabulous 82-footer (heir to the Pershing 80) has been called "the missile disguised as a yacht." Setting aside its missile like turn of speed, let us cite its comfort and other qualities: the sundeck that can be reached with the retractable carbon fiber stairway, the famous folding and retractable French door that separates the cockpit and salon, and the luxurious and high-end interiors furnished by Poltrona Frau. Power, comfort and performance are further reflected in the full speed maneuvering, which thanks to the Easyset system is executed without losing a single knot of speed. The excitement turns into pure adrenaline when experienced in the master cabin, where the maxi open view window ends up underwater due to the heel of the boat, offering you the thrill of a supersonic voyage through the waves. This Pershing 82 VHP is something you experience and once you do it will be difficult to step back off onto the dock!!

Basic Information

Category: Motor Yacht

ACCESS TO THE BATHING PLATFORM • Aft steps in teak • Black water pump out cap • Courtesy lights for steps External shower • Fresh water filling cap • Fresh water tap •

Fuel filling cap • Hatch on bathing platform stbd side • LED lighting • Shore power 100A • Shore water inlet • Stainless steel gate for cockpit entry (2) • Swim ladder, hydraulic, hideaway with alarm • Swimming teak platform with hydraulic movement • Telescopic hydraulic hideaway gangway with (2) remote controls • Underwater lights under the bathing platform Upgrade SIDE WALK • Electric pantograph side door (2) • Side locker at bow dinette with closure (2) • Side Pershing silicon logo (2) • Stainless steel grab on side of superstructure (2) • Stainless steel mooring cleat at midship (2) • Stainless steel railing with stanchions • Steel rubrail • Teak

BOW MOORING STATION • Access to bow locker with double hatch and closure • Anchoring and mooring bow • Basket chain • Galvanized anchor • Galvanized chain • Mooring LED lights • Stainless steel mooring bow ancor roller • Stainless steel mooring cleat bow (2) • Upgraded fresh water tap in anchor locker • Windlass 2700 W with waterproof control pad

OUTSIDE FORWARD DINETTE • Amplifier with remote control and loudspeakers • External shower • GRP sofa with seats and backrest upholstered in white vinyl • LED Lighting • Manual bimini top

OUTSIDE FORWARD DINETTE • Amplifier with remote control and loudspeakers • GRP sofa with seats and backrest upholstered in white vinyl • Teak

HELM STATION • Bow thruster joystick • Builtin autopilot • Ceiling LED lights with indirect lighting • ChartPlotter (2) • Compass • Controls electrically slide forward • Copilot seat covered with Poltrona Frau leather with double electric control (2) • Cover for windshield and side windows black mesh Upgrade • Echo box with 1Kw inhull transducer • Electronic digital LCD engine control panel (2) • Electronic levers for engine controls • Engine room remote camera on plotter screen • FURUNO TZT Navigation pack • Glove compartments (2) • Helm wheel in Poltrona Frau leather • Helm seat upgraded with pilot backrest • Instrument dashboard upholstered in Poltrona Frau leather • Nautic map holder • NAVIOP display • Panels in carbon fiber • Pilot seat with covered with Poltrona Frau leather (by Besenzoni) with double electric control • Rudder angle, trim tabs, water and fuel levels • Satellite antenna KVH HD7 including decoder • Sliding roof with electric movement • Soft touch switch plates

• Spot light, additional • Stern thruster hydraulic (28 Hp) • Surface propellers trim joystick • Telephone interface GSM/Voice/Fax • Trim tabs joystick • VHF radio • Windshield in transparent tempered glass • Windshield wiper/washer (2)

SALON • Patrona Frau oversized light grey Pershing sofa with offsetting grey cashmere pillows and throws • Audiovideo system • Engineered nonslip wood floor in light grey to contrast • Electric fabric roll interior curtains • Ottoman table • Surround sound Denon receiver with 5 + 1 speakers • Electric lifting mechanism for TV • Hideaway 40" LCD TV • Hifi surround: "5+1" system (60Hz) sintoamplifier with bluray • Touch screen remote control • Ceiling covered in Poltrona Frau leather • Ceiling LED lights with indirect lighting • Ceramic set for 12 people • Chairs upholstered in Poltrona Frau leather (4) •

Digitally controlled A/C system • Dimmer • Dining table for 6 people • Domotics control panel • Electric fabric roll curtains for side windows and sliding aft door • Ottomans in Poltrona Frau leather • Reading lights (2) • Safe • Soft touch switch plates • Stern bulkhead sound insulation • Structural GRP floor covered in moquette • Walls covered in wood • Wardrobe covered in wood, with clothes rack, dresser and internal light • Wood nightstand covered with Poltrona Frau leather (2) • Wooden door

MASTER HEAD • A/C system outlet • Builtin ceramic sink • Ceiling LED lights with indirect lighting • Clothes hook (2) • Combined bidet faucets • Combined washbasin faucet • Digitally controlled A/C system • Electric black out rolls curtain • Fixed side windows in stratified crystal with opening porthole in stainless steel with mechanic hook • Glass door matt finishing • Lacquered ceiling • Mosaic featured throughout upgrade • Parquet floor • Shower walls covered with mosaic and tempered glass door • Shower includes: Mirror, Mosaic shower plate, Object holder inside shower, Shower faucet, Showerhead • Sliding mirror • Soap dish and shampoo holder • Soft touch switch plates • Toilet brush holder • Toilet roll holder • Towel rail (2) • Upgraded cupboard in place of bidet • Washbasin unit in wood with opening doors

VIP CABIN • Audiovideo system • LCD TV 24" • Loudspeakers (2) • Mini Hifi CD/DVD • Preparation for decoder: cable 120V, F connector, TV sat antenna cables • Blind compartments covered in laminated and vinyl • Blinders for hatchway • Ceiling LED lights with indirect lighting • Ceiling with lacquered ceiling frame and panels upholstered in vinyl fabric • Digitally controlled A/C system • Dimmer • Double bed in wood with headboard upholstered in leather and locker underneath • Electric blackout curtains • Mattress, pillow and bedcover • Fixed side windows in stratified crystal with opening porthole in stainless steel with mechanic hook • Intercom cordless system • Light stripe underneath the bed • Manual roll curtains in fabric • Mirror at fore bulkhead • Reading lights (2) • Soft touch switch plates • Structural GRP floor covered in moquette • Walls covered in wood • Wardrobe in wood, with clothes rack, internal light • Wood nightstand (2) with sole leather on top • Wooden door

VIP HEAD • A/C system outlet • Aluminium Venetian blinds • Blind compartments covered in laminated and vinyl • Ceiling LED lights with indirect lighting • Clothes hook (2) • Combined washbasin faucet • Electric WC in ceramic • Lacquered cabinet with door • Lacquered ceiling • Mirror • Mosaic tile featured throughout upgrade • Opening portholes in stainless steel with mechanical hook • Parquet floor • Shower box covered with standard laminate and tempered glass • Shower floor in Corian • Soap dish and shampoo holder • Soft touch switch plates • Toilet brush holder • Toilet roll holder • Towel rail • Wash basin in white ceramic on furniture • Washbasin unit in wood with opening doors • Wooden door

DOUBLE GUEST CABIN • Audiovideo system: LCD TV 24", Loudspeakers (2), Mini Hifi • Electric roll curtains • Preparation for decoder: cable 120V+F connector+TV sat antenna cables • Blind compartments with vinyl finishing • Ceiling LED lights with indirect lighting • Ceiling with lacquered ceiling frame and panels upholstered in vinyl fabric •

Digitally controlled A/C system • Dimmer • Folding bed • Intercom cordless system • Light stripe underneath the bed • Electric blackout curtains • Mirrors at aft bulkhead • Opening porthole in stainless steel with mechanic hook (2) • Reading lights (2) • Single bed in wood with bed head upholstered in Frau leather (2) • Soft touch switch plates • Structural GRP floor covered in moquette • Walls covered in wood • Wardrobe covered in wood, with clothes rack, internal light and inside mirror (1) • Wood nightstand • Wooden door

GUEST BATHROOM/DAY HEAD • A/C system outlet • Aluminium Venetian blinds • Blind compartments with laminated • Ceiling LED lights with indirect lighting • Clothes hook • Combined washbasin faucet • Curtain compartment • Electric WC in ceramic • Lacquered cabinet with door (2) • Lacquered ceiling • Mirror • Mosaic featured throughout upgrade • Opening portholes in stainless steel with mechanical hook • Parquet floor • Shower box covered with standard laminate and tempered glass • Shower floor in Corian • Soap dish and shampoo holder • Soft touch switch plates • Towel rail • Wash basin in white ceramic on furniture • Washbasin unit in wood with opening doors • Wooden door (2), one covered with sole leather on one side CREW AREA

GALLEY • Audiovideo system: LCD TV 24", Loudspeakers (2), Mini HiFi CD/DVD • Built in ceiling spotlight (8) • Ceramic glass stove with 4 burners • Digitally controlled A/C system • Dishwasher • Electric oven • Extractable faucet • Extractor fan 60 Hz • Fridge unit side by side with fridge and freezer, 60Hz • Galley top in colored tempered glass • Hanging lockers in unsealed oak wood and internal shelves • Intercom cordless system • Light underneath shelves (2) • Openable table • Ottoman upholstered in vinyl fabric • Parquet floor • Sofa upholstered in vinyl fabric • Soft touch switch plates • Stainless steel washbasin • Under top unit furniture with ivory lacquered opening doors, internal shelves and drawers • Walls covered with laminate and panels upholstered in vinyl fabric • Wooden door

CAPTAIN'S CABIN • Audiovideo system: Loudspeaker (2), Mini HiFi • Built in ceiling spotlight (2) • Ceiling with lacquered ceiling frame and panels upholstered in vinyl fabric • Digitally controlled A/C system • Interior ivory lacquered door • Light switches • Locker with lacquered doors • Opening portholes in stainless steel with mechanical hook • Parquet floor • Reading lights • Safe • Walls covered with laminate and panels upholstered in vinyl fabric • Washerdryer

DOUBLE CREW CABIN • Audiovideo system: Loudspeaker (2), Mini HiFi • Built in ceiling spotlight (2) • Ceiling with lacquered ceiling frame and panels upholstered in vinyl fabric • Digitally controlled A/C system • Light switches • Locker with ivory lacquered door with clothes rack • Mattress, pillow and bedcover (2) • Opening portholes in stainless steel with mechanical hook • Parquet floor • Reading lights (2) • Walls covered with std laminate and panels upholstered in vinyl fabric

CREW HEAD • Built in ceiling spotlight (3) • Clothes hook • Combined washbasin faucet • Electric WC in porcelain • Interior ivory lacquered door • Lacquered ceiling • Light

switches • Mirror • Opening portholes in stainless steel with mechanical hook • Parquet floor • Shower box in laminate with tempered glass door • Shower faucet and pole • Towel rail • Walls covered with laminate and panels upholstered in vinyl fabric • Washbasin unit ivory lacquered with GRP top with opening doors

TECHNICAL AREA

ENGINE ROOM • Upgraded MTU 16V 2000 M96L engines • A/C unit • Access to the engine room: Light alloy waterproof door • Air compressor 220 V 50 HZ • Air intakes • Coupling joint between adaptor and TS flange (2) • Diesel engine MTU 16V 2000 M96L 2638 mhp (2) • E/pump A/C • Electric extractor (2) • Engine exhaust muffler (2) • Engine room pillars (2) • Floor covered with anti slip aluminum • Generator manifold and gas separator (2) • Generator prefilter single type racor (2) • Genset 23 kW 120/240V 60Hz (2) main+auxiliary • Hydraulic oil heat exchanger • Hydraulic steering oil tank • Hydraulic unit for gangway swim ladder, garage hatch, sun deck stair and aft door • Hydraulic unit for platform, trims, trim tabs and steering • Light alloy waterproof door • Light switch • Protective cover added to coupling • Stainless steel engine exhaust raiser (2) • Thermal acoustic insulation • Waterproof camera interfaced with bridge

PROPULSION AND MANEUVERING EQUIPMENT • Hydraulic bow thruster • Hydraulic steering • Hydraulic trim tabs (2) • Nickel - Aluminium - Bronze surface propeller 6 Blades (2) • Hydraulic Stern thruster (28 Hp) • Surface drive system with automatic trim

SYSTEMS

FRESH WATER SYSTEM • Boiler 30lt electric (2) • Fresh water inlet from water tank • Fresh water outlet in engine room • Fresh water pump with autoclave (2 one at 24V, one at 240V) • Glendenning + Glendenning remote control with switch • Independent sea water intake for water maker with filter • Level sensor • Shore fresh water intake with pressure regulator • Watermaker

SEA WATER SYSTEM • Bypass valve for emergency bilge discharge from engines (2) • Dynamic seawater intake (2) • Fire extinguishing and chain wash e/pump • Sea water basket filter for engines, power generators, A/C pumps, services and fire extinguishing system (5) • Seawater outlet for chain wash and fire extinguishing in forward locker • Static seawater intake (3)

GREY WATER SYSTEM • E/pump auxiliary tank discharge • E/pump main tank discharge • Level sensor • Manifold bypass for emergency grey and black water pump discharge • Polyethylene tank (300 lt) • Valve 3 way in galley

FIRE EXTINGUISHING SYSTEM • Automatic/manual system in the engine/room and system area FM200 Fire Boy • Emergency engine shut down remote control • Fire extinguishing system and alarm activation remote control • Manual powder extinguisher in engine room • Manual powder extinguishers (1 for each room) • Manual powder

extinguisher in the cockpit • Smoke detectors: salon, galley, cabins, crew cabin

AIR CONDITIONING SYSTEM • Air Conditioning 152,000 BTU

ELECTRICAL SYSTEM • Batteries cutoff • Battery charger: Engines • Battery charger for generators (from services batteries) • Breaker box for American shore power • Earthing system all along the hull joined to the anodes protection (zincs) on the transom • Emergency parallel connection between service batteries and engine starter • Engine starter battery (4) • Equipment power modification to 60HZ • Generator battery charger (x2) • Ground connection for sea water intake and railings • Ground fault interrupters 120V 6mA in all heads, galley and engine room • Inverter 60Hz/120V (for the galley fridge only) • Isolation transformer (25 KVA) • Main electric panel with magnetothermic switches and fume cover • MTU electronic LCD digital panels for engine control (2) • Parallel connection between generators battery • Power generator starter battery (2) • Service battery (12) • Services battery charger • Shore power socket 100A 60Hz • Shore socket and loose cable • Socket American type 120V, double in each box • Switchboard in dinette: Voltage measuring instruments 120/240V

FUEL SYSTEM • Electronic fuel level remote indicator in dashboard • Fuel decanter filter (2) • Fuel sight gauge • Manual fuel discharge/load drainage pump • Structural GRP tank

BILGE SYSTEM • Automatic/manual immersion E/pump for bilge discharge in each watertight compartment with level sensor • E/pump with valve system for the separated or joint bilge system centralized suction • Emergency engine room bilge system discharge through engines intake suction

GARAGE • Nonskid paint in garage floor • Preparation for housing jet ski/tender

SAFETY EQUIPMENT • Safety equipment for 16 people (2 liferafts, 16 life jackets)

Exclusions

Owner's personal belongings.
