Preliminary Specs (10/2019)

KALEEN is one of the finest Westport's on the market. She is currently owned by her second owner that has only used her privately, never chartered and has cruised between Florida and Maine. No expense was spared in maintaining her as is expressed through the specifications with constant upgrades for years.

UPGRADES and FEATURES

Seakeeper's Gyro's installed (May 2018) – Aft (16, 9, 9) forward in Engine Room (6)

Complete Paint Job (January 2019)

Bottom Paint (January 2019)

Recaulked all Windows (January 2019)

Aft deck boarding gates Port and Starboard

ASEA Electrical Converters

Engines received W4 Service including new Turbo's & EUPS (injector pumps) (2018)

Larger Pilothouse desk

Pocket Galley privacy door

Engine Room air conditioned (2)

Custom stainless steel Swim Ladder

(6) Underwater lights, (4) on Transom, port and starboard

INTERIOR DECOR APPOINTMENTS

The Owners have selected the finest equipment for "KALEEN", but they also have selected some of the finest décor appointments. In the Salon, the sofa and love seat were designed by "DeSede" leather manufacturer in Italy. The Salon arrangement of a sofa and loveseat is featured around a "Mirak" coffee/cocktail table with custom end tables.

The dining table was designed and built by Lee Weitzman, a custom furniture builder out of Chicago which builds to the client's suggestions. The dining chairs and the card table, inlaid with Mother of Pearl are also "Lee Weitzman" designs and built the card table the leather chairs are custom Australian design.

The dining chandelier is Swarovski crystal with matching recessed lighting. The Salon occasional chairs are custom

The forward Salon/Dining wall is accented with a custom painting .

The various walls coverings throughout KALEEN are done with custom Maya Romanoff extraordinary surface materials, "Scotch and Soda" subtle glass beads. The Master, VIP and guest heads custom faucets are designed with Swarovski crystals, as well as towel rods, toilet paper holders and robe hooks.

The Galley and Wheelhouse settee's were recently redone (2018) in highquality

Spinney Beck leather (Acqua), which is water resistant

and full grain, Aniline dyed Italian leather from Northern Italy.

WALKTHROUGH

Entering "**KALEEN**" from the Aft Deck boarding gates, you enter a large Aft Deck with customized Aft Deck settee lounge like bump outs on Port and Starboard settee and walk behind bar with three bar stools and a TV behind bar.

Going forward through double counter balanced Salon glass doors you will enter the fullbeam

Salon with comfortable oversized sofas to port with a cocktail table. To starboard is a game table with two chairs, large storage cabinets located up and down the sides under windows, port and starboard sides.

Forward of the Salon is the formal Dining area with seating for eight and custom port and starboard buffet cabinets, which hold custom made glass and plate holders for being underway.

The Galley is forward accessed from the starboard entry Foyer. The Galley offers a full array of home appliances, built into a peninsula Galley counter with a large Ushaped settee to accommodate guests with (2) occasional counter bar stools, which can be moved over to the settee for additional seating. The Galley can be closed off by a customized pocket door.

The **VIP Stateroom** is forward of the Galley and down several steps with a walkaround queen berth and ensuite head with large closet.

The **Master Stateroom** is accessed from the port main Deck Foyer and down stairs to the lower Foyer. Going from lower Foyer through double doors you enter the Master Stateroom, which is fullbeam

and at the widest part of the yacht. The Master berth is a California King, with ample storage drawers port & starboard, and a walkin closet in the aft starboard corner of the Master Stateroom. His & Hers Heads are forward of the Stateroom with a tub and separate shower stall.

The **3rd and 4th Guest Staterooms** are just aft of the lower foyer with the 3rd being to port with a walkaround queen and ensuite head.

The **4th Stateroom** is to starboard with two single berths with can be put together to make a King bed, also features an ensuite head.

Up the starboard Foyer stairs is the semi raised Pilothouse with a full control station for excellent visibility. The Pilothouse features spacious seating for cruising.

The expansive Flybridge features an EZ2CY three sided enclosure with a full helm station and wing control stations on both sides. To starboard there is Ushaped seating, and to port a full bar with seating for four, refrigerator, sink, icemachine and BBQ for entertaining. Aft on the Boat Deck level there is additional seating to starboard with a builtin Jacuzzi to port and a 15' AB tender(2014).

The Crew cabins are aft with access from the Aft Deck and egress from the transom door featuring a ensuite Captain's cabin with fullsize berth, a Crew cabin oversized

with upper and lower bunks, a Deckhand's cabin with a single berth and

a full head between the two cabins. Crew cabin has a Dinette and a courtesy area, in the companionway with full laundry facilities. The access to the Engine Room is forward.

PLUMBING

(2) Grundfos fresh waterpumps with ultraviolet inline light (2014)

Spot Zero (installed 2011) Membranes replaced (2019)

Aluminum water tanks with interior Epoxy coating

(2) Sea Recovery SRC 1200 watermaker (1,200 gallons per day)

(2) Aqua Pure air filters

(2) 220V AC Grundfos (1 backup)

pumps and (1) 24V DC backup pump with tank (Freshwater System)

(1) 120 Gallon hot water heater with circulating pump

Hot & cold water shower in port locker on the Swim Step

Fresh water washdown

with quick disconnects on the Foredeck, Boat Deck and Aft Deck

Holding tank with composite construction w/ inspection hatch, 240V AC diaphragm type pump with 24V DC backup pump for pumpout

(tank capacity 600 gallons)

MECHANICAL EQUIPMENT

(2) MTU/DDC 16V2000 Engines, rated at 2000hp, engines received W4 Service including new turbos and injectors, plus injector pumps (EUP's) (2018)

4Station MDEC Controls

Delta T Auto fan control with premisters (Upgraded)

Exhaust System (2015)

Integrated station selection and shifter control

MDEC Synchronizer and underwater exhaust

(2) 65kW 1800 RPM Northern Lights Generators with hydro elastic double mounts, sound shields, water lift mufflers, exhaust/water separator cyclones & water temperature, oil pressure and hour meters installed on main distribution panel in Crew Quarters. Both generators have remote start/stop in Pilothouse (3700 hours on each Full service 2015), with new injectors, water pumps and turbo's

Full services, new injectors, water pumps, injection pumps and turbo's (October 2015)

Each Generator has a Power Take Off (PTO)

220V 2HP Air compressor, to operate air horn with inline water separator and regulator

16" Wesmar bow thruster, 50 HP hydraulic with 4station controls, Dual Prop (2015)

Fuel fills with dual fill/vent pipes vented overboard for fast filling (A second, smaller vent, vented overboard is provided for normal operation)

(2) Fills for water tanks

¼" 5086 Alloy aluminum fuel tank with dual fills and standard vents, V.I.C. Monitoring System and sight tube level indicators

(1) Sea Pro fuel filters for each main engine and (1) Racor fuel filter for each generator

Fuel transfer pump with a flow meter and timer, plus Algae X Filter System

Fuel polished (Jan. 2019)

FM200 Engine Room Fire Suppression System with manual/automatic controls (Small FM200 on electrical distribution panel)
