SPECIFICATIONS

Overview

p.p1 {margin: 0.0px 0.0px 0.0px 0.0px; font: 12.0px 'Helvetica Neue'}

Equipped with the latest stabilization system, she boasts a large flybridge as well as an extensive swim platform and a port side folding balcony enhancing the feeling of space and comfort onboard.

In addition to being children friendly her Captain ensures Wanda's environmental impact remains minimum with her crew being eco-responsible and the use of an innovative waste management treatment based on an enzyme and bacteriological compound to kick-start biodegrading contaminated grey water in collecting tanks, sewage effluent in sewage plants, grease and fats in galley tanks, grease traps and contaminated bilge water.
