Overview

RARE WEST COAST OPPORTUNITY

SCHEDULE A MUST VIEW TO TRULY APPRECIATE

The history of Hampton Yachts begins in Taiwan 50 years ago where the Chen Family built the famous Formosa line of sailing yachts under the direction of the family's patriarch, C.Y. Chen.

In 1992 the Hampton Yacht Building Company was established and was one of the first Taiwanese companies to start yacht building in China. With the passing of C.Y. Chen, Jeff Chen, Managing Director, and C.Y. Chen's son, together with a select few investors and the Chen Family, expanded on his father's vision. Jointly they built the high tech facilities of today, and initiated the development of the very successful Endurance LRC series, which garnered international praise.

Today Hampton Yachts employs over 200 skilled craftsmen, finish carpenters, designers, engineers and naval architects.

While Hampton Yachts' heritage began in Taiwan, the company's success today, is very much a contemporary story. When the world-wide sailboat market started to soften, Hampton Yachts turned to Motor Yacht design and construction. Many of these new motor yachts were designed in-house under the able and talented direction of Jim Chen.

None of the success would have been possible without the unwavering commitment to quality; in design, construction engineering and craftsmanship. A commitment started over 50 years ago in Taiwan, by C.Y. Chen and carried-on today through the leadership of his son, Jeff Chen and a host of carefully chosen craftsmen, artisans and a worldwide dealer network.

And "La Bella Vita" 2008 Hampton 630 Pilothouse is no exception. Highlighting "La Bella Vita's" distinctions include the reliable Caterpillar C-15 853hp mains, ZF Marine ZF360A gearboxes with 2.478 ratio, Northern Lights M744LW2-20kW genset, Xantrex SW4024MC2 4kW SW Series inverter, Wesmar RS600 stabilizers, MarineAir chilled air airconditioning/heat climate system, Kabola B17 hydronic heating system with heated head floors, 4 control stations including port and aft wing stations, Flying Bridge hardtop with full enclosure, transom door from swim platform down to lazarette and engineroom, Actual full-beam midship master stateroom with walk-in ensuite head and closet aft of the master berth and the new and popular "Open" layout, Sidepower SP240TCI 15.5hp electric bow and stern thrusters, 4 Garmin GPSMAP 5215 High Performance Multifunction Displays, KVH M5 satellite TV antenna system, Sea Recovery AQM Modular 1800 gpd watermaker, Steelhead SM2000 360 degree power rotation,

boom extension and linear winch yacht crane with wireless remote and a Boston Whaler 120 Sport tender with a Mercury 25hp outboard.

Basic Information

Category: Motor Yacht

Sub Category: Pilothouse

Model Year: 2008

Year Built: 2008

- Marine-Air air conditioning/heat system with control panel
- 3 Defrosters
- 3 Intermittent windshield wipers with Exalto control panel
- Halogen lighting
- Makore cherry and holly sole

Flying Bridge

- Fiberglass molded console
- Custom Hampton steering wheel
- Caterpillar electronic engine controls
- Wesmar RS600 stabilizers control panel
- Maxwell 3500 windlass control panel
- WEMA tank level indicator
- VDO rudder indicator
- Access steps to pilothouse
- 2 Pompanette "Platinum Series" white leather helm chairs
- Settee with hi/low fold-down table
- Chart storage
- Kabola diesel heat vents
- 3 defrosters
- Halogen lighting
- 12v outlet
- 2-110v GFI outlets
- Indoor/outdoor carpet
- Entertainment wet bar including Corian top with sink, Gaggenau electric grill and U-Line refrigerator with ice maker

Aft Deck

- Aft deck hardtop
- Built-in seating
- Corian oval table
- Entertainment wet bar including Corian top with sink and Sharp Aquos 20" LCD TV wired to satellite TV
- Access to flying bridge
- 3 Cameras
- Port & starboard side boarding doors

Master Stateroom

- Full beam midship master stateroom with walk-in ensuite head and closet aft of master berth
- Walkaround queen berth

- Simmons mattress
- Custom bedding with pillows
- Bureau and vanity cabinet with redwood burl top
- Settee
- Sharp Aquos 26" LCD
- Pioneer DVN-P5955DMP AM/FM/CD/DVD player
- NEC speakers
- Garmin GMI 10 depth sounder display
- Kabola diesel heat register with Aube thermostat
- Marine-Air air conditioning/heat system with control panel
- Stainless Steel portlites with Shoji screens
- Fireboy-Xintex carbon monoxide detector
- 2 cedar-lined, push button, back lit lockers
- 12 cabinets
- 14 drawers
- 3 piece mirrored headboard
- Halogen lighting
- Indirect lighting
- 2 wall sconces
- 2-110v outlets

Master Walk-In Closet

- Cedar-lined throughout
- 2 Louvered cabinets
- 8 Drawers
- Rectangular mirror
- Hanging rods
- Carpet flooring

Master Walk-In Ensuite Head

- Marble countertops
- Marble backsplash
- Sink with Grohe fixture
- Separate shower with bench seat
- Interaktiv shower fixture
- Tecma quiet electric toilet
- Marble heated floors
- Kabola diesel heat register
- Stainless Steel portlite
- 5 Cabinets
- Rectangular mirror
- Towel bar holder
- Hand towel bar holder

- Halogen lighting
- Indirect lighting
- 110v GFI outlet

VIP Stateroom

- Island queen berth
- Custom pillowtop mattress
- Custom bedding with pillows
- Kabola diesel heat register with Aube thermostat
- Marine-Air air conditioning/heat system with control panel
- Overhead Lewmar hatch with Ocean Air roller shade/screen-integral black out screen and fly screen
