Overview

Style, sophistication, performance, aggression, and confidence, are just a few words to describe the feeling you get when you take the wheel of Helios. A sports car on the water, Helios is a sleek, express style yacht, that demands attention. One of the few American made express style super yachts over 24 meters.

As a former captain, and crew member on super yachts, two of the most important things I look for in a yacht are functionality, and practicality. Helios offers both. Helios is an immaculate super yacht, and has been maintained to the highest standards. Please take a look at her list of updated, and upgraded features. She is ready to cruise. The only thing missing is you.
