---

## Engine Information

---

**Engines:** 2

**Manufacturer:** Volvo

**Model:** IPS 600

**Engine Type:** Inboard

**Fuel Type:** Diesel

---

# DETAILED INFORMATION

---

## Accommodations

---

Upon entering the main cabin from the cockpit is the galley to port - - fully functional and packed with high-end appliances - - the galley is part of the action forward in the salon and part of the action in the cockpit too. The aft window slips up and creates an unbroken flow from the mezzanine all the way forward. In the salon , up a step from the galley, two C-shaped sofas face each other - - the port-side one is a dinette with a glossy teak table. An aisle between the sofas leads to steps to the staterooms forward.

Throughout the 53 Riviera, high-gloss cherry-wood shines, and this is especially true in the salon, where light pours in through the windshield, which wraps around the salon. A 45-inch flat-screen TV is part of an entertainment system. Amtico flooring at the entry and galley, carpeting the rest of the interior. Carpet protector for the salon.

The spacious master stateroom is located amidships, taking advantage of the yacht's full 16 feet, 10 inches of beam. Above the king-size bed is a framed headliner detail, shaped roughly like the bed, complete with lights, fabric, and wood. A double-seat lounge and a nightstand are to port, while a built-in bureau of drawers occupies the starboard side, and an upgraded 46-inch LED TV with a Bose stereo system is at the foot of the bed. The ensuite head includes a Vacu-Flush toilet, a separate stall shower, and a bowl sink on a Corian countertop. Large hull windows let in lots of light, and optional opening portholes provide fresh air.

The VIP stateroom is forward and features full headroom, an island queen berth and private access to the guest head. An overhead hatch opens to let in light and air, and a 19-inch LED TV with a DVD player is included. The third stateroom is port and includes upper/lower bunks and storage in a cedar-lined locker, a bureau and chest of drawers. An optional Miele Washer and Dryer can be found in the companionway.

Just inside the cockpit door and to starboard of the galley is the inner staircase leading up to the enclosed flybridge. The teak steps are mounted on stainless steel bases that are attached to stylish stainless steel rails befitting of the yacht's interior.

The enclosed flybridge, or frequently called a sky lounge, features solid three sides under a hardtop, and the aft part of the enclosure is canvas and strata glass, which can be opened to draw in fresh air. The side sliding windows and electric sunroof also open to bring in fresh air. Fully heated and air conditioned, plus custom carpeting add to the comfort.

The flybridge features a helm forward to port (optional) with a dual leather helm seats (Pompanette Tournament Deluxe) as well as a leather bench seat for two. Just aft is a full leather settee and table to port and across is a cabinet housing the rear docking

station, sink, a refrigerator, and an ice maker. The backrest on the aft side of the settee flips forward to convert into an aft facing seat to take in the views. An optional (6) rod holders can be found mounted to the aft railing.

## Galley

---

Vitrifrigo drawer style refrigerator

Vitrifrigo drawer style freezer

Vitrifrigo icemaker

Miele combination microwave, convection oven with an induction cooktop

Fisher and Paykel drawer style dishwasher
