SPECIFICATIONS

Overview

1985 Ocean Yachts 55 Super Sport available!

This yacht has a proven track record of raising fish! It comes complete with a full Pipe Welders tuna tower and Rupp triple spread outriggers as well as cockpit controls allowing easy dockage.

The Detroit Diesel 8V92TI Forward Plan 735HP motors have 200 hours SMOH and all 4 turbo chargers have just been replaced!! She also comes with 2 Phasor generators, a 21.5KW for full power requirements as well as an 8.5KW for night use or days when full electrical power is not required.

The main salon has been completely refinished with granite counter tops, new flooring, new headliner with custom rod holders, new multi-color LED lighting, new wall paneling, new commercial clear ice machine, large Sony flat screen TV with surround sound audio system.

The 3 cabin, 3 head layout allows for extended cruising/fishing trips ensuring everyone has their "own space" at the end of the day. All three cabins have undergone a partial refit. All heads have newly rebuilt Galley Maid macerator/pump units. The air conditioning system has also been upgraded on two units. Eliminating the hassles with raw water flowing through the systems, the new units are mounted on top of the fly bridge hard top and are air to air systems as opposed to air to water!

Spares include 2 bronze propellers. Engines are also equipped with dual Racor 1000 filtration systems allowing replacement filters to be installed without shutting down the engines, as well as a Reverso oil change system, making maintenance oil changes a snap.
