SPECIFICATIONS

Overview

Looking for an Express Cruiser in the Fifty to Sixty foot range? Your search is over! Introducing Truant a Northwest legend! Truant underwent a complete refit in 2013 at Seattle's Delta Marine Industries Shipyard. No detail or system was overlooked, with over \$600,000 invested over a period of 9 months. Truant emerged from the Shipyard essentially a new yacht. Some five years later, Truant looks as good as the day she left Delta back in 2014. The quality and workmanship of Delta is ever present today. Truant is set up for entertaining, overnights, and long range cruising.

Basic Information

Category: Motor Yacht

Model Year: 2001

Year Built: 2001

Country: United States

Dimensions

LOA: 58' 11" (17.96m)
