Fuel Type: Diesel

DETAILED INFORMATION

Walkthrough

Preliminary Specs, more to follow:

Boarding the yacht from the side decks one can enter the spacious aft deck by either the port or starboard wind doors. The aft deck has a bar, flybridge access ladder and a double door into the salon. The spacious salon has loose furniture and a centerline full helm.

Down to starboard is the dinette and galley. Forward is an upper lower cabin with private head and stall shower. Aft between the engine rooms there is a guest cabin with twin lowers to port and a guest head with stall shower to starboard. Furthest aft is the master cabin with a centerline queen berth and a private head with stall shower.

Salon

Entering the salon from the aft deck via double teak doors one finds a very open spacious salon with 360 degrees of visibility.

The sole is carpeted, the overhead vinyl with one 32V light fixture forward and the windows all around have mini blinds and drapes.

Lower Helm

Centerline and forward in the salon is the lower helm area. To both port and starboard are sliding teak doors leading to this yachts spacious walk around side decks.

To port is the electric breaker panel locker. To starboard is the curved companionway to below.

Galley

Down six curved steps from the upper level is the galley/dinette area. immediately forward of the stairs is a booth style dinette with one drawer and additional storage under each cushion. Outboard are two sliding storage cabinets, sliding windows with drapes above and forward is a framed glass mirror.

Centerline is access to the forward cabin, to port is the U shaped galley. It includes the following equipment:

Varnished teak parquet sole

GE upright two door refrigerator/freezer

Modern Maid 4 burner cook top

Modern Maid eye level oven

Modern Main dishwasher

Modern Maid exhaust hood

Sharp microwave

Large stainless steel sink

Spray faucet

(5) Storage drawers

(8) Storage cabinets

Sliding cabinets above sink

32V/110V Overhead light fixture

Opening windows with drapes

Smoke/CO detector

Forward Cabin

Forward of the galley area and down two steps is the forward guest cabin. Just inside the door is a cabinet with a Frigidaire washer/dryer stacked unit. Next forward is a small full height hanging locker. Forward again on the starboard bulkhead are upper and lower berths, each with a reading light. Outboard above the upper berth in the padded hull liner is a frosted opening porthole. Below the lower berth are two storage drawers.

Forward are two teak doors accessing the yachts divided rope locker.

To port is an additional locker above the two storage drawers.

Next aft is access to the en suite head.

Forward Cabin Head

The forward cabin head has a mica vanity with storage below, a China sink above and mirrored medicine cabinet. The stall shower has a tempered glass door, a hand held or wall mountable

shower fixture, a light and an exhaust fan.

The toilet is a Galley Maid electronic model. the sole is vinyl and the lighting is DC incandescent and AC fluorescent. There is also a hide a line clothes line in the head.

Companionway

Next aft and down two steps from the galley is the centerline companionway. Fore and aft doors plus a removable center panel give great access to each engine.

Aft to starboard is the aft guest cabin.

Aft Guest Cabin

Entered from the forward end is the aft guest cabin with twin lower berths. A full length hanging locker is forward and outboard. The two bunks are arranged in a fore and aft arrangement with a four drawer nightstand between.

Below the outboard berth are four storage drawers. Above are two sliding door storage cabinets and two portholes with full drapes above.

Also in this cabin are two stereo speakers, three reading lights, upholstered headboards and a teak magazine rack.

Aft Guest Head

Across the centerline companionway is the aft guest head. The fiberglass vanity has teak sliding doors below the China sink and a sliding mirrored medicine cabinet door above. The sole is vinyl and the toilet is a Galley Maid electric model. Drapes cover a frosted opening porthole. Also in this area is an incandescent DC light, Fluorescent AC light, and a hide a line clothes line.

The stall shower has a tempered glass door, a seat, a wall mounted fixture, an opening frosted porthole, a light and an exhaust fan.

Master Cabin

The master cabin has a centerline queen sized berth with three drawer nightstands both port and starboard. Above are 32V reading lights and two large portholes with drapes.

To both port and starboard are four large storage drawers with a mica shelf above and full drapes over two portholes each side.

Forward to port is a four drawer vanity with stool and two six bulb light fixtures and a center mirror. On the forward bulkhead are two teak bi fold doors accessing a large hanging locker with shelves.

To starboard is access to the private en suite head.

Master Head

The fiberglass vanity has teak sliding doors below the China sink and a sliding mirrored medicine cabinet door above. The side is vinyl and the toilet is a Galley Maid electric model. Drapes cover a frosted opening porthole. Also in this area is an incandescent DC light, fluorescent AC light, and a Hide a Line clothes line.

The stall shower has a tempered glass door, a seat, a wall mounted fixture, and opening frosted porthole, a light, and an exhaust fan.
