SPECIFICATIONS

Overview

The third in the Vintage series of yachts from Codecasa, and uniquely the largest, GAZZELLA II blends classic geometry with her plumb bow and an impressive volume - she is one of the largest 50m yachts by volume, at 849 GT. She comes to market for the first time ever, very lightly used during summer months only by her current owner and never chartered, although she is Lloyd's classified and can be adapted for commercial compliance. She offers accommodation for 12 in total; Master, VIP cabin on main deck and there are two further double cabins and two twin cabins on the lower deck. She also accommodates up to 12 crew. Twin 2,366hp Caterpillar diesel engines, both with exceptionally low hours, give her a top speed of 17.5kn and a transoceanic range of 5,000nm at cruising speed. Needless to say she is in immaculate condition. An elevator serves all decks, with a Portuguese bridge on the bridge deck.
