DETAILED INFORMATION

Manufacturer Description

The Parker 2510 XL Walkaround has twin berths which can comfortably sleep two or be used for storage. A lockable bifold cabin door will allow for protected storage of personal items. An electrical panel with circuit breakers and a weatherproof switch panel is standard, and extra switches are included on the panel for electronic accessories. Ample room for rods has been provided under the gunwale along with rod holders on the deck. A stainless steel, one-piece bow rail surrounds a wide walk space and allows for safe movement around the deck. With over eight feet of cockpit space available, this walkaround has plenty of room to maneuver. Equipped with a hardtop, this is the perfect boat for all-day fishing.
