SPECIFICATIONS

Overview

BRAND NEW LISTING OCT 12, 2019 More Specs 'n Descriptions Coming Soon SHOWS EXTREMELY WELL GREAT FOR LIVE ABOARD OR CRUISING

TWIN DETROIT 8V92's w/225 Hours on Rebuilds SUB ZERO FRIDGE 'n FREEZERS PLENDID WASHER 'n DRYER NORTHERN LIGHTS GENSET

The Trojan 14 Meter Convertible is a sleek, mega-volume family cruising yacht with genuine fishboat capabilities. She's a revised version of the Trojan 13 Meter Sedan introduced a year earlier with pretty much the same interior, but a much larger cockpit. The 14 Meter was a very stylish boat in the late 1980s with a rakish profile and a cavernous, Euro-style interior. With a wide 16-foot, 3-inch beam, her stable DeltaConic hull accommodates an expansive two-stateroom interior, each with private head access and a full-size stall shower. The master stateroom is forward in this layout, and a breakfast bar in the salon overlooks the lower-level galley. The cockpit is huge: designed for fishing or cruising, with a transom door, storage boxes, and a tackle center. The flybridge is also huge with an expansive lounge area (including a wet bar) forward of the helm. Twin 750hp 8V92 Detroit diesels cruise the 14 Meter Convertible in the mid 20s and reach a top speed of just under 30 knots.

Basic Information

Category: Cruiser

Model Year: 1988

Year Built: 1988
