SPECIFICATIONS

Overview

Oar Knot is a well maintained, modern trawler with classic lines. Her owners just finished the Great Loop and she is outfitted and ready to go again! This 2005 Mainship 34 Trawler is powered with a single Yanmar 6LYA-STP 370 hp diesel engine and she has plenty of power to reach a top speed of 13 knots but cruises efficiently at 8 knots. You'll enjoy the bow thruster for easy docking and the dual air conditioning and generator for comfortable anchoring and cruising. The flybridge features new Strataglass and canvas enclosure -August 2018 and updated Raymarine electronics (May 2013). This Mainship 34 trawler is well equipped for long distance cruising or the active couple or family on the go seeking weekend adventure. Her 14' 3" beam makes this trawler's main cabin very spacious with plenty of room for a full galley, lower helm, table and chairs and seating/sleeping area. The master stateroom with its centered queen berth and the sleeper sofa in the main cabin makes sleeping for four very comfortable and the single head is roomy and contains a large separate shower stall. With a large cockpit, easy to navigate molded staircase to the flybridge, plenty of space and seating to entertain a group of people and a well equipped upper helm this boat has everything a liveaboard needs. All fiberglass decks reduce maintenance while the interior maintains a nice balance of teak. She's been extremely well maintained - the exterior was just professionally cleaned and waxed mid October.

MAIN DESCRIPTION

Oar Knot is a well maintained, modern trawler with classic lines. Her owners just finished the Great Loop and she is outfitted and ready to go again! This 2005 Mainship 34 Trawler is powered with a single Yanmar 6LYA-STP 370 hp diesel engine and she has plenty of power to reach a top speed of 13 knots but cruises efficiently at 8 knots. You'll enjoy the bow thruster for easy docking and the dual air conditioning and generator for comfortable anchoring and cruising. The flybridge features new Strataglass and canvas enclosure -August 2018 and updated Raymarine electronics (May 2013). This Mainship 34 trawler is well equipped for long distance cruising or the active couple or family on the go seeking weekend adventure. Her 14' 3" beam makes this trawler's main cabin very spacious with plenty of room for a full galley, lower helm, table and chairs and seating/sleeping area. The master stateroom with its centered queen berth and the sleeper sofa in the main cabin makes sleeping for four very comfortable and the single head is roomy and contains a large separate shower stall. With a large cockpit, easy to navigate molded staircase to the flybridge, plenty of space and seating to entertain a group of people and a well equipped upper helm this boat has everything a liveaboard needs. All fiberglass decks reduce maintenance while the interior maintains a nice balance of teak. She's been extremely well maintained - the exterior was just professionally cleaned and waxed mid October.

WALKTHROUGH

Boarding the vessel is simple via the swim platform and transom door or over the gunwales and down the built in folding steps on either side of the cockpit. Access forward can be reached from the cockpit by full walk-around decks leading to enclosed anchor locker with windlass and foot pedal controls. You'll also find easy direct access to the lower helm station through the starboard side door. From the cockpit a molded spiral staircase leads up to the flybridge. Proceed forward through the Strataglass enclosure to large seating areas and folding table. Looking forward are three captain's chairs with full 360 degree view from the helm. Return down the stairs where the cockpit double doors lead to the main cabin. Once inside the main cabin, the large sleeper/sofa is to port and a small dining table with chairs is to starboard. The lower helm is forward and starboard in the main cabin and the U-shaped galley is down and forward to port. Walk forward through the master suite door to the centerline queen berth with hanging lockers. The head is to starboard. Note the Corian countertop, wood cabinetry and electric flushing toilet. Looking aft is the large glass door enclosed shower.

Salon
