SPECIFICATIONS

Overview

PRICE JUST REDUCED!

"Living The Dream" is hull # 56 of the very popular 54' Offshore series by William Crealock. This two-stateroom layout with separate owners stairway to the midship owners cabin offers privacy as well as very generous living accommodations below deck. Add to this the original build specs with Caterpillar C-12 engines, two Northern Lights generators, stabilizers and most of the optional cruising options you would ever want, and you have the perfect manageable cruiser for all boating conditions.

"Living The Dream" has been constantly updated by the present owner, including a complete interior make over, extensive new navigation and entertainment systems, and most important of all, constant factory service of the engines, generators, and all mechanical systems on board.

Holding Tank: 70 Gallons

Fuel Capacity: 1000 Gallons

Accommodations

Total Cabins: 2

Total Heads: 2

Hull and Deck Information

Hull Material: Fiberglass

Engine Information

Engines: 2

Manufacturer: Caterpillar

Model: C-12

Engine Type: Inboard

Fuel Type: Diesel

DETAILED INFORMATION

Vessel Walkthrough

The large aft deck features a steering station to starboard and a cabinet with wet bar and ice maker to port. The entrance to the main salon is centerline through double sliding doors. The salon offers a U-shaped settee, custom teak hi-lo folding coffee table to port, an entertainment center housed in beautiful cabinetry, and an Ekornes stressless leather recliner to starboard. Forward and to port is the galley with granite countertops, top-of-the line appliances and an abundance of storage. Forward and up two steps is the pilothouse with large surrounding windows for optimum visibility. There is a custom helm seat at the controls and an additional helm-style seat to port of the captain's seat. An L-shaped settee with custom hi-lo table is port aft. Access to the covered walk around decks is gained both port and starboard through opening watertight doors. Access to the flybridge is from steps at the rear of the pilothouse or from the aft deck.

A private lighted staircase from the salon leads to the full beam width master stateroom with private ensuite head. Access to the VIP stateroom is forward from the pilothouse through a lighted stairway on the starboard side. The VIP berth is forward centerline, and VIP head positioned amidship to port.

Main Salon

- Teak/burl wood pedestal hi/lo table with folding leaves
- Ekornes stressless recliner with matching ottoman
- SMX air conditioning control panel
- U-shaped sofa with storage below
- Coordinating pillows
