### Manufacturer Description

The Carver 44 Cockpit Motor Yacht combines the superb luxury and spaciousness of an aft cabin with exceptional contemporary styling and thoughtful design. Carver's signature raised Walkdeck design also allows for a wider, much roomier cabin than other yachts this size. Combined with the way Carver united the salon and galley into one spacious and elegant "great room", this adds up to outstanding cruising comfort. The expansive great room features all sorts of amenities, from the sumptuous designer decor and UltraLeather sofa, two recliners, to the beautiful yet practical solid-surface counter tops. When it comes to sleeping accommodations, owners will welcome the unexpected luxury of two private staterooms, each with its own private head compartment. On the bridge, passengers can relax with the L-shaped lounge that seats five and the wet bar that provides convenient bottle storage. The elegant aft deck offers a hardtop that covers the entire deck, plus an electronics arch, and the convenience of an integral bridge stairway and wing doors. For even more fun, the large cockpit offers plenty of space to play.

### Overview

From the 60 square foot cockpit to the forward guest stateroom's queen size island berth, the

Carver 44 Cockpit Motoryacht offers a very spacious interior. Her huge bridge sports a central helm, wrap around seating and wet bar.

She has all the best equipment and the most popular floor plan!
