SPECIFICATIONS

Overview

MarlAnne Hunter is a lot of boat wrapped up in a 43' express package. Rigged to fish and easy to maintain, this boat offers a great riding and stable, spacious platform as well as a nicely appointed, comfortable interior layout. With a center console helm and huge cushioned and air conditioned helm deck area, there is plenty of room to kick back, enjoy the ride and also rig up for the day's adventure. She has a full tuna tower with electronics and controls, teaser reel outlets, full size in-deck fish box, Release battle saddle and tackle drawers and storage cabinets throughout. And with a pair of the super dependable MAN 680 V-8s, the current owner has enjoyed a comfortable 26 kt. cruise and years of trouble free fishing. If you are looking for a lot of boat for the money and want to take over a well maintained, turn key rig, don't let this one slip by. In the mid sized express market, she is a real beast.

Jeff James (252)216 6913
